Students of SHS Create Spirit of '69

The spirit of SHS, created by those going before us, has become a pounding syncopation growing stronger each year. Now the students and teachers of Springdale High have taken up their tools and built spirit even higher—creating a masterpiece—the SPIRIT of '69.

Spirited groups display enthusiasm throughout the year, directing their efforts into channels of self-improvement and school-improvement. Class plays, projects, and drives create competition; but even more vital—an awareness of the importance of teamwork.

Quiet spirit reigns in somber moments, stressing the value of patriotism, respect, and duty. Instilled into the foundations of SHS is the love and pride for our community and the people of which it consists. Traditions play an important role, for without them we have little for inspiration.

Athletic efforts build the spirit of Springdale High to a peak by uniting the students in a common bond. On the football field, the basketball court, or the track, students are showing that SHS is alive and vibrant with spirit.

Springdale High School is here to stay—and so is the SPIRIT of '69.

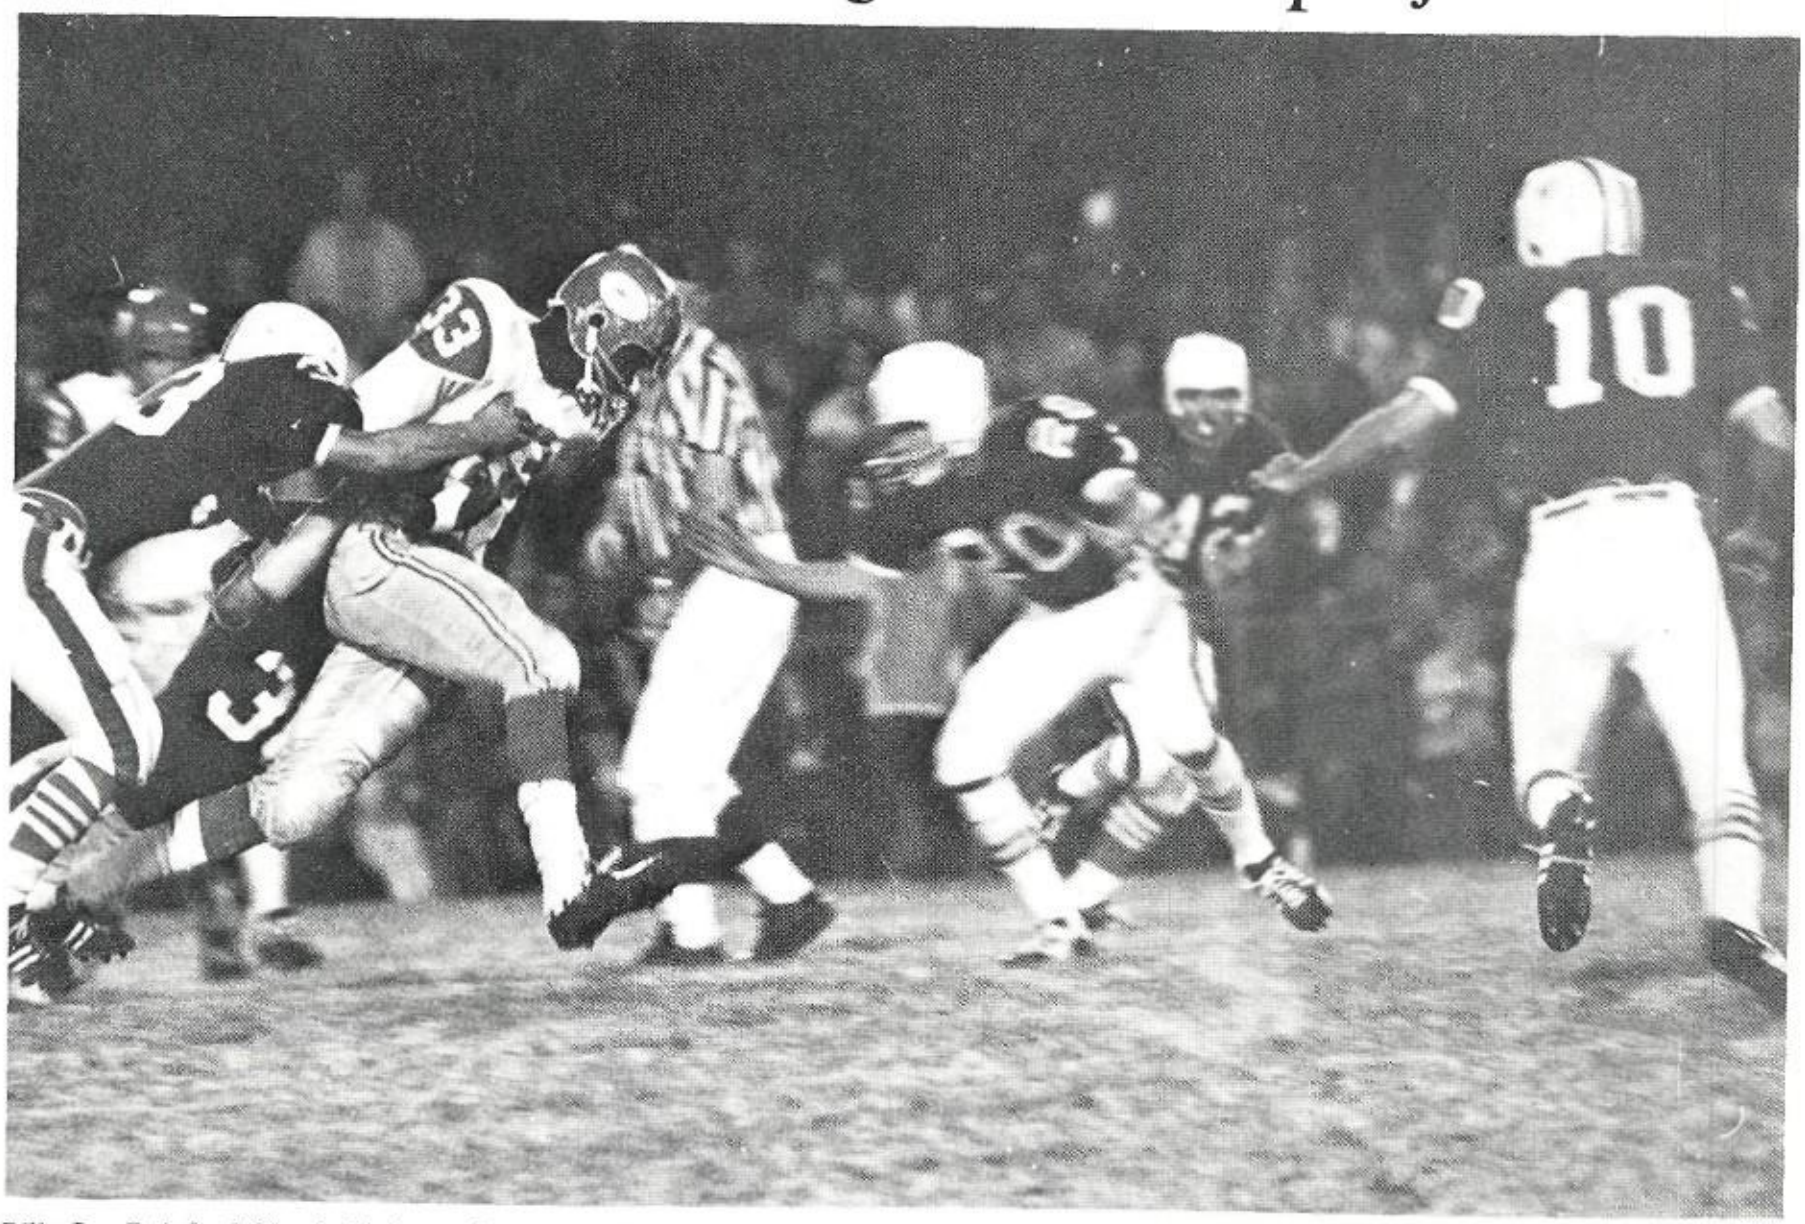
Three Wins Push 'Dogs Near Top of Polls



Billy Joe Releford, Northside's number one rusher, is slowed by Holly and Parsons as Collins and J. Irwin drive to assist.

Coach Williams takes one last look at NLR Stadium after a questionable defeat.

The 'Dogs offense scored two touchdowns in the first half of the ballgame and then let the defensive unit come in to hold the Mountaineers to only one TD bringing the final score to a sparkling 20-7 victory.

The 'Dogs kept their record clean when they played the St. Anne Buffaloes by jumping to a quick 19-0 lead.

Although the final score was 33-13 the Buffaloes showed great competitive spirit and fine sportsmanship in a hard fought ballgame.

Despite the numerous fumbles throughout the game, the 'Dogs were able to push the ball into the end zone three times to drop the Subiaco Trojans 20-6 in a non-conference clash.

Subiaco scored first on a 55 yard run, but the 'Dogs came back with three quick touchdowns in the first half.

AAAA Competition Upsets the 'Dogs' Season

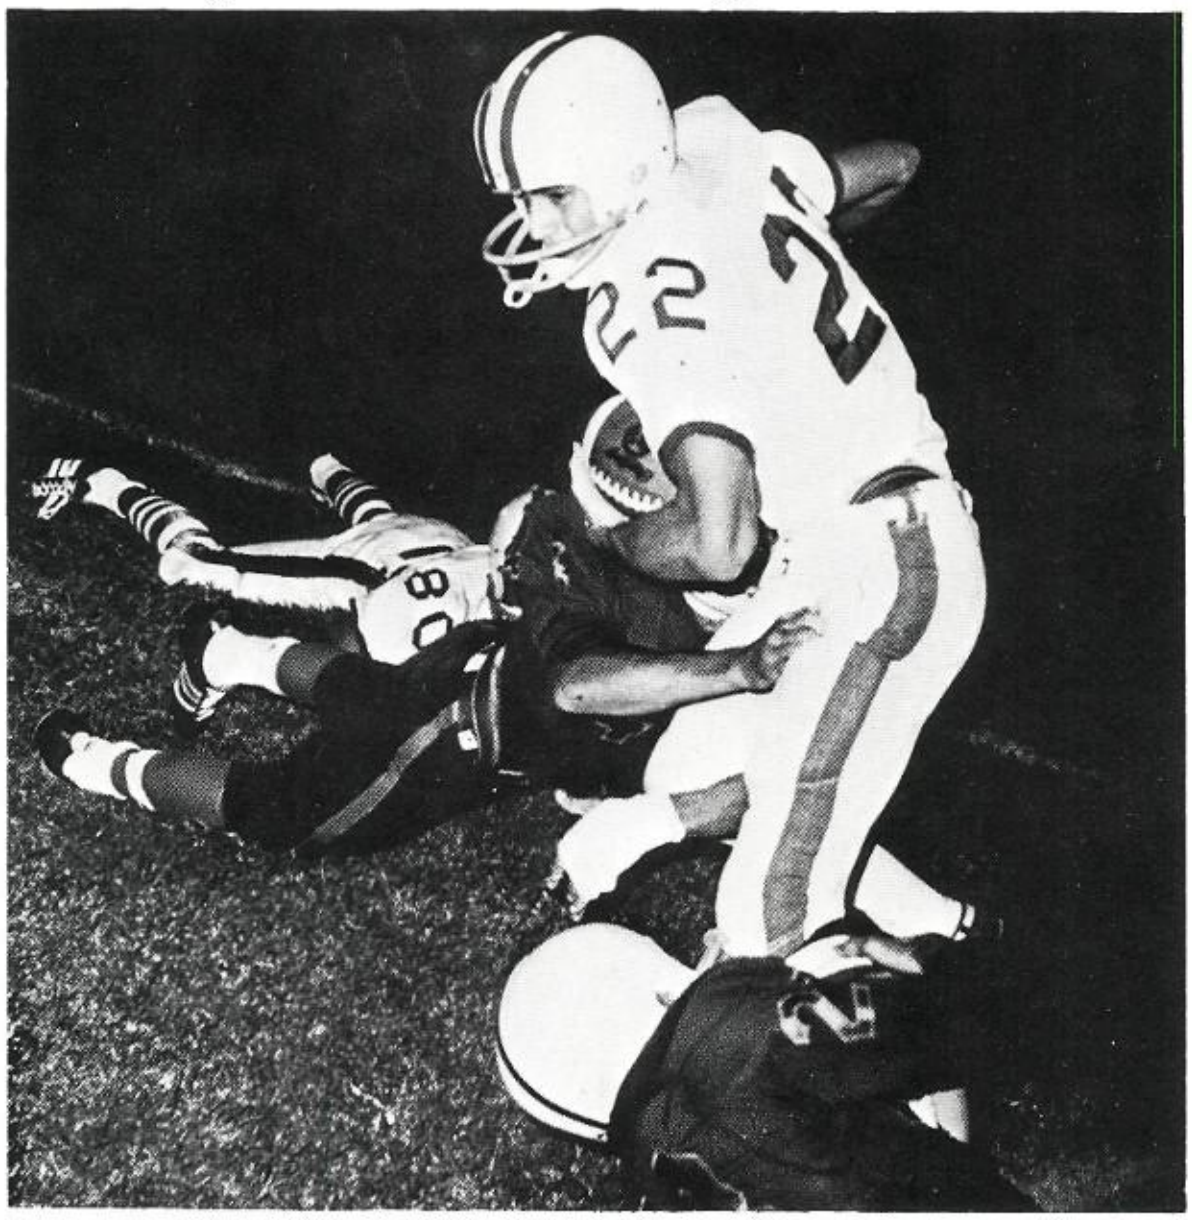
The Bulldog fans never gave up when the 'Dogs met the Northside Grizzlies. This probably was the most hard fought game of the year for both teams. There was exciting action throughout the game with the final tally made with only 56 seconds remaining to be played.

Both teams were unable to score in their first bouts with the ball. However, when the Grizzlies again gained possession of the ball they moved down the field to score and gain the conversion. The half-time score was 21-7.

The 'Dogs second TD came late in the third quarter on a short pass. The Grizzlies scored again, and it wasn't until the final seconds of the game that the 'Dogs tightened the lead to 28-20.

The 'Dogs took a questionable defeat in stride after a 7-0 "first and last" clash with North Little Rock. Sportsmanship has always been put before victory whether in our own Bulldog stadium or on any of our rival's fields.

The only score of the game came after a pass interception and three ground plays by the Wildcats.



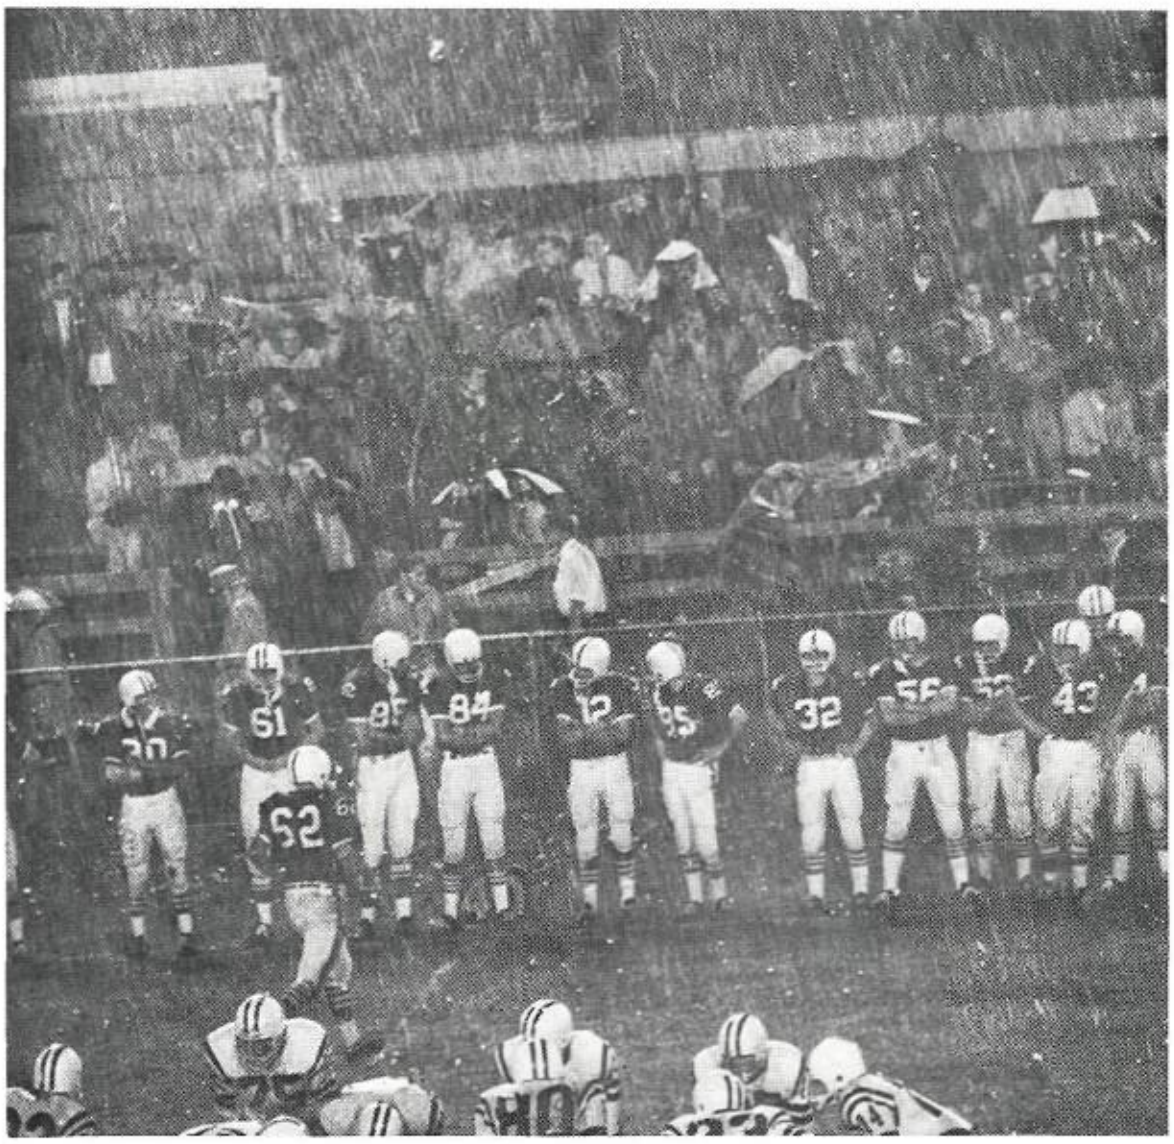
Jr. Smith tries to elude goal line defenders after a spectacular pass reception.

After a long punt return, Jim Irwin is finally brought down as Wayne Flora blocks aggressive defensive rushers.

'Dogs Pulverize Purple Puppies, 26-7

(73) Tommy Winters, (71) George Green, and (68) Roy Strickland read the play and move in to stop Fayetteville on their own 30.

The rainsoaked and downtrodden Southside defense play their strategy as the rainsoaked but victorious 'Dog defense stands ready for action.



The 'Dogs of Springdale defeated the 'Purple Puppies' of Fayetteville with a score of 26-7. This was the first conference game for the Red 'Dogs.

After a scoreless first period the game came to life when a fumble was recovered on the 'Dogs 22. In a series of plays, the 'Dogs worked the ball in for a score.

The big break came for the Purple Puppies with a pass interception on the 'Dogs 30 yard line.

Despite a downpour, the 'Dogs downed the Southside Rebels 39-7 in a conference tilt.

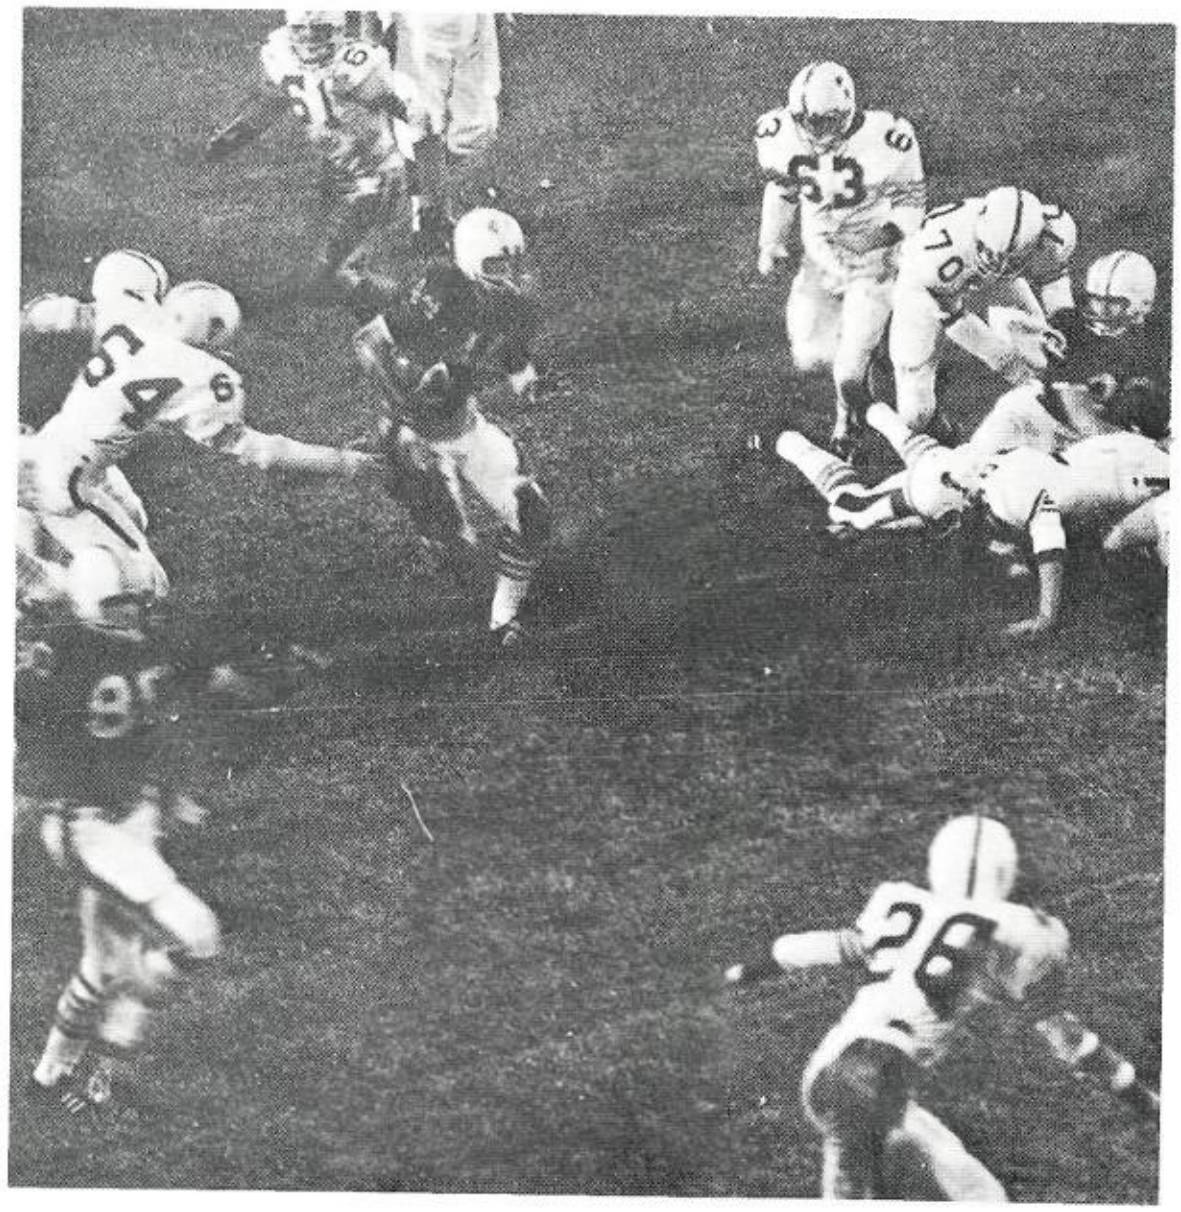
The Rebels were held scoreless until late in the fourth quarter when they recovered a 'Dog fumble and pushed it across.

The Muskogee Roughers had a 7-0 lead in the first of the second quarter, but the 'Dogs bounced back and at half time led 20-7. In the second half both teams scored twice making the final score 34-21.

'Dogs Slaughter Hogs 25-0; Fall To Trojans

(22) Jr. Smith leads interference for (44) Kirby Clements who scored the only TD for the 'Dogs against Hot Springs Trojans.

'Dogs' line shows outstanding ability as they clear the path for (44) Kirby Clements.



A strong Trojan defense retained the 'Dogs powerful offense and held them to only one touchdown from a Trojan fumble. They pushed the ball in for the score and maintained the lead until half-time.

In the third quarter, the Trojans broke a 65-yard play from scrimmage for a touchdown.

The score remained knotted until late in the fourth quarter when the Trojans took the ball and marched to the 17-yard line. With 21 seconds left to play, they kicked a field goal to make the score 10-7.

The 'Dogs knocked off the Texarkana Razorbacks, 25-0, to win a share of the AAA Western Division championship.

Scoring first, the 'Dogs marched from their own 13 to paydirt. After kicking, the 'Dogs regained the ball and put up another six pointer before half.

The 'Dogs scored two touchdowns in the second half.

'Dogs Down Red Devils, Take AAA Crown

Jim Irwin (10) turns on speed after receiving a Jacksonville punt on the 25. Irwin traveled to our 45 before being downed.

Junior Smith (22) kicks a successful field goal in the Jacksonville game. Smith did all the 'Dogs punting and extra point kicking, and had a 25 of 31 record for the year.

The 'Dogs became the State AAA Champs, by defeating the Eastern AAA Champs, Jacksonville, 19-13, in the first AAA championship play-off.

They jumped off to a 7-0 lead after recovering the opening kick-off and marching 65 yards to paydirt. The rest of the first half proved to be a defensive battle with neither team scoring until the closing seconds of the half when Jacksonville scored on a 67 yard pass play. Their extra point attempt was blocked.

The Red Devils opened the third quarter with a 63-yard touch-down pass. The extra point made it 13-7. The 'Dogs then marched in for their score. Their extra point attempt fell wide.

The score remained knotted until the fourth quarter when the 'Dogs crossed the goal line from four yards out.

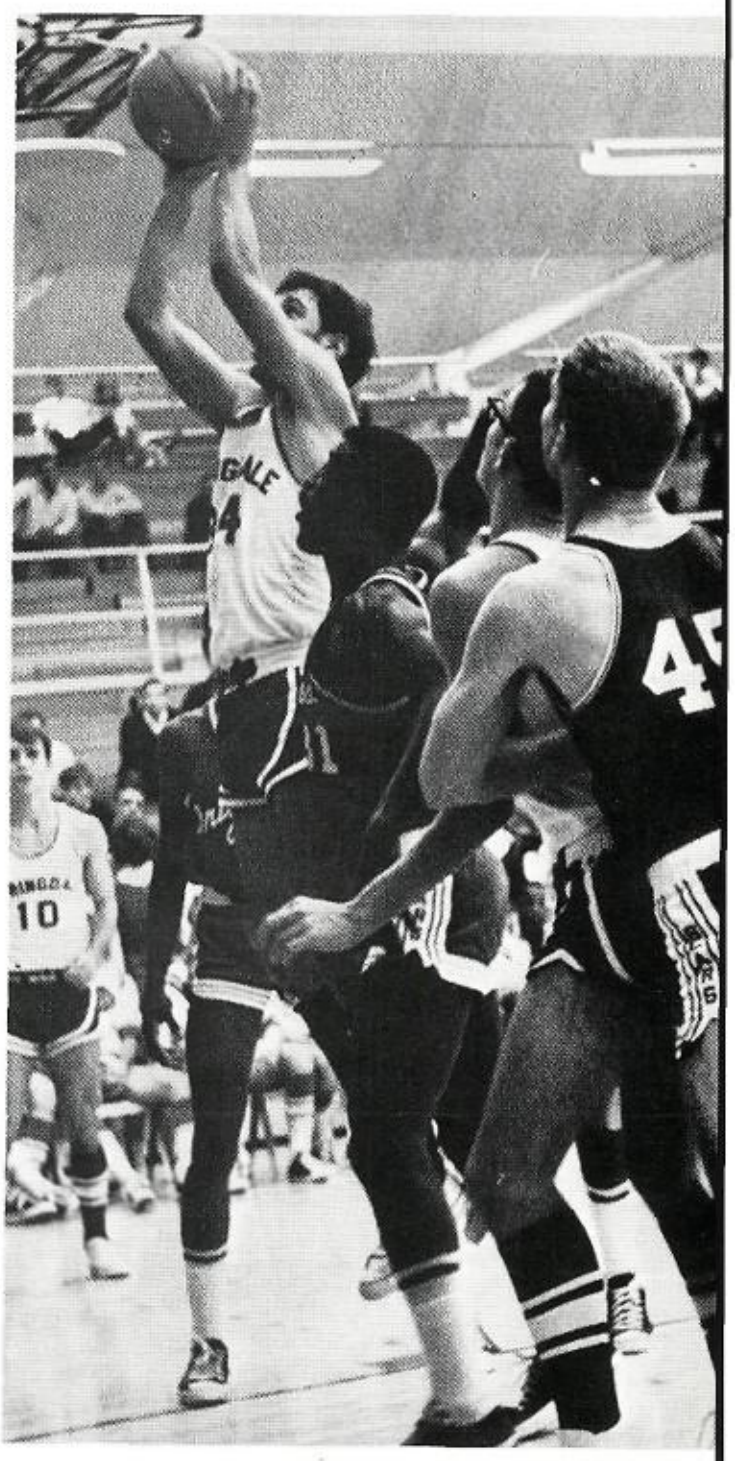
'Dogs Begin Season With Two Victories

Jr. Smith (22) and Mike Lankford work the ball to keep the Siloam Panthers off-guard.

The Huntsville Eagles found it very difficult to score against the defending Dogs.

The 'Dogs opened up their basketball season with a victory over the Siloam Springs Panthers. The opening tilt was held in Bulldog Gym. The final buzzer sounded with the 'Dogs in the lead 47-37.

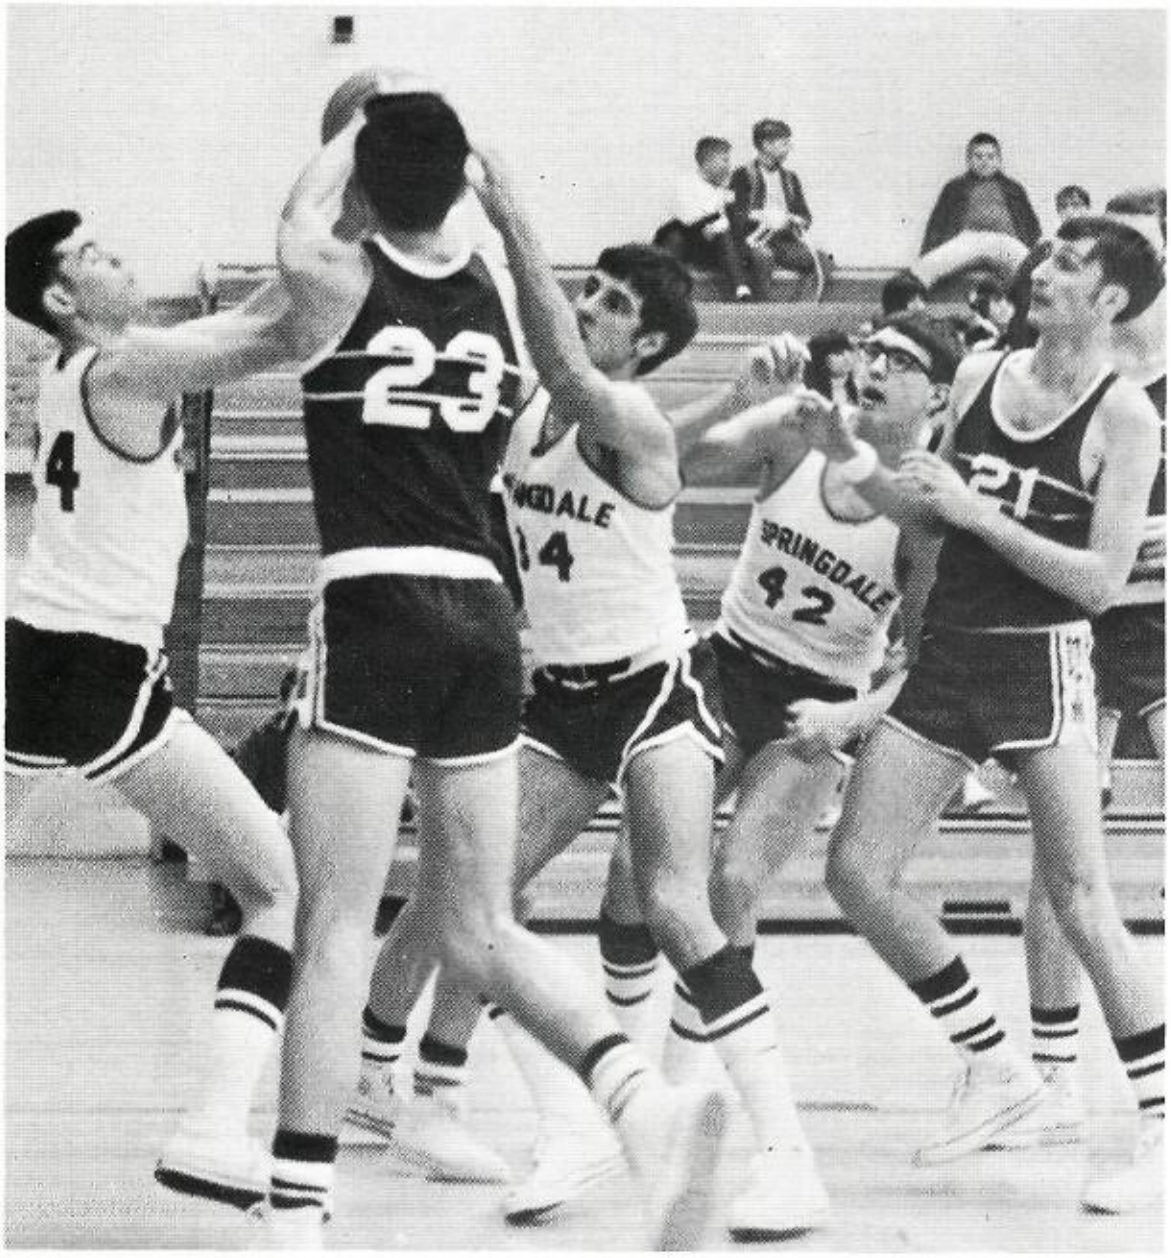
The 'Dogs were able to better their record by defeating the Huntsville Eagles in a double overtime 48-41.



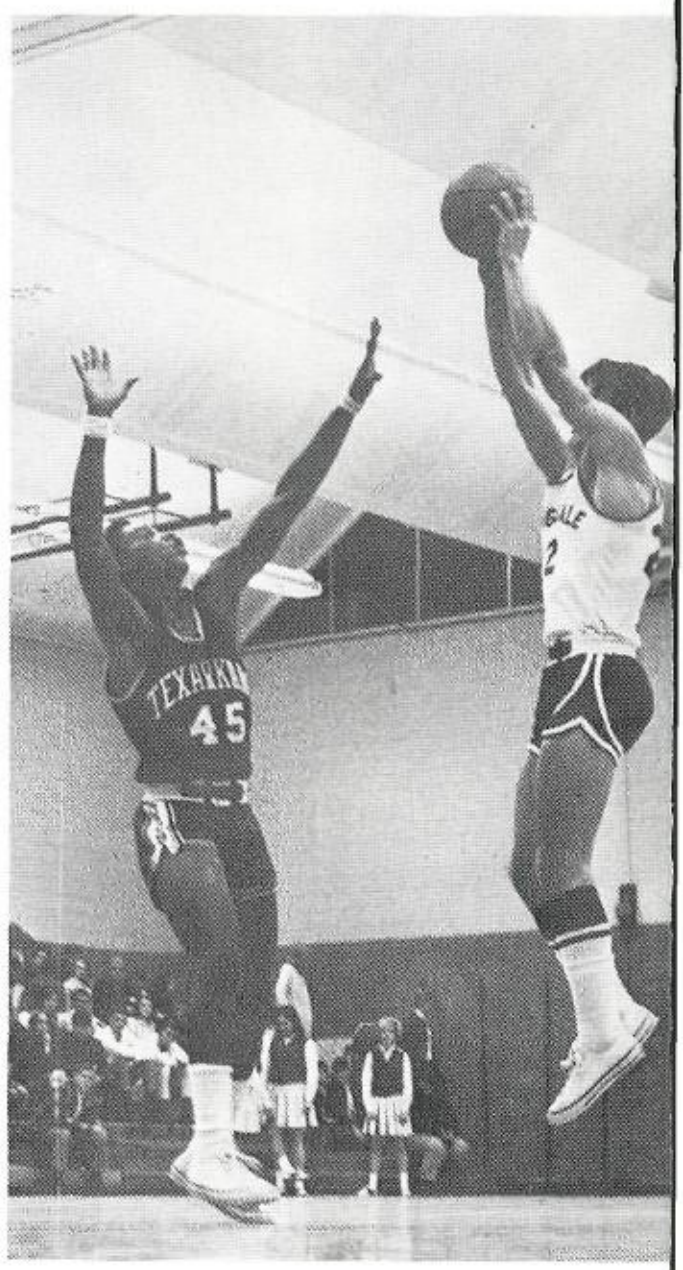
Mike Lankford goes up for two and made Northside his high scoring game.

The 'Dogs suffered their first defeat of the season when they met the Northside Grizzlies. The Grizzlies completely controlled the game in all departments. The final score was 52-36.

'Dogs Gain Split in Conference Action



Collins (24), Lankford (34), and Ward (42) fight for a rebound against the Mounties.



Jr. Smith adds two from the outside.

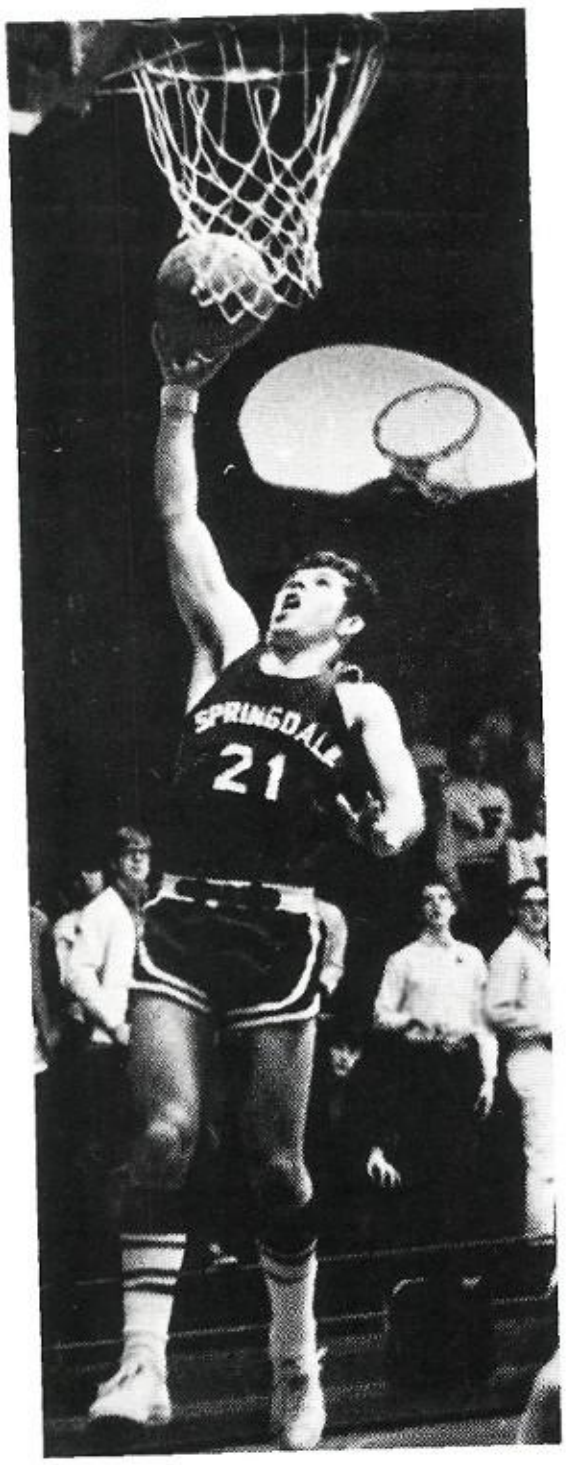
After dropping their opening game of 1969, the 'Dogs defeated the Rogers Mountaineers in a non-conference tilt. The lead exchanged hands several times, but the final score showed the 'Dogs on top 67-62.

The 'Dogs fought a downhill battle against the Hot Springs Trojans. Hot Springs started with a first quarter lead and held it to the final buzzer-handing the 'Dogs an 80-59 defeat.

If the Hot Springs loss hindered the 'Dogs, they didn't show it against Texarkana. The 'Dogs took a first half lead and were able to keep it throughout the rest of the game for a victory.

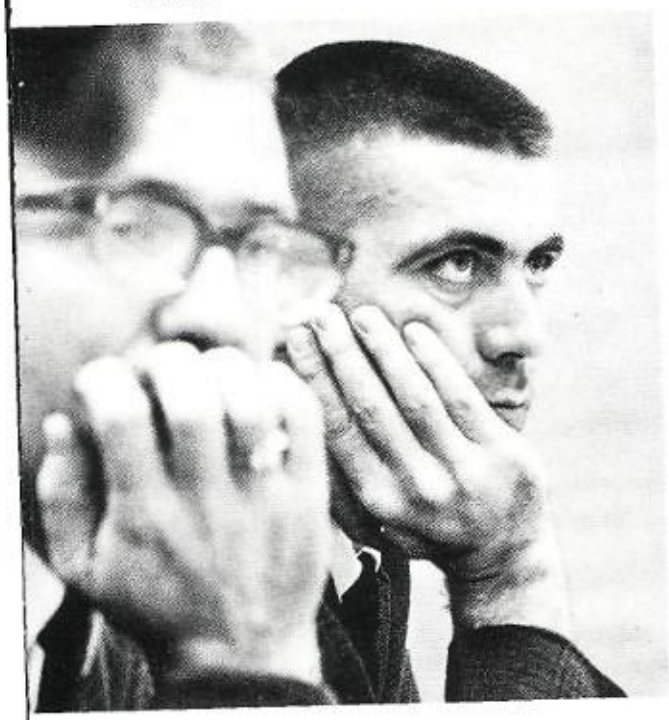
Coach Sanders stresses determination and strategy before the Hot Springs game.

Purple Puppies Triumph In "Dog Fight"



Fred Jones scores two with a lay-up.

Coaches watch with complete confidence.

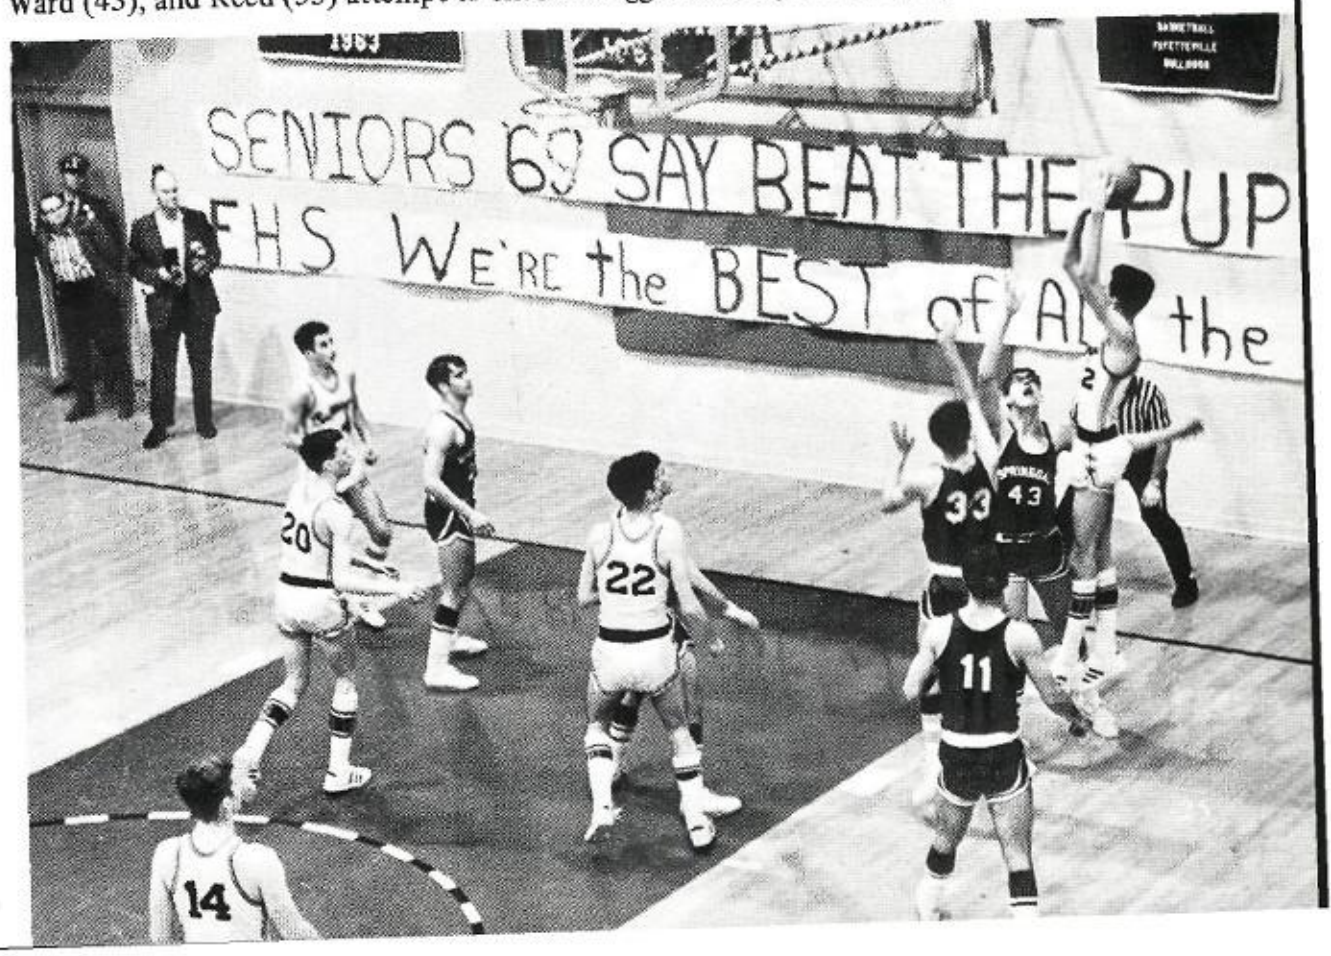


Smith (23), Lankford (35), and Irwin guard against a powerful Fayetteville offense.

The Springdale Bulldogs ran into some stiff competition when they met the Fayetteville Bulldogs. After jumping off to an early lead, the Red 'Dogs were not able to hold onto it.

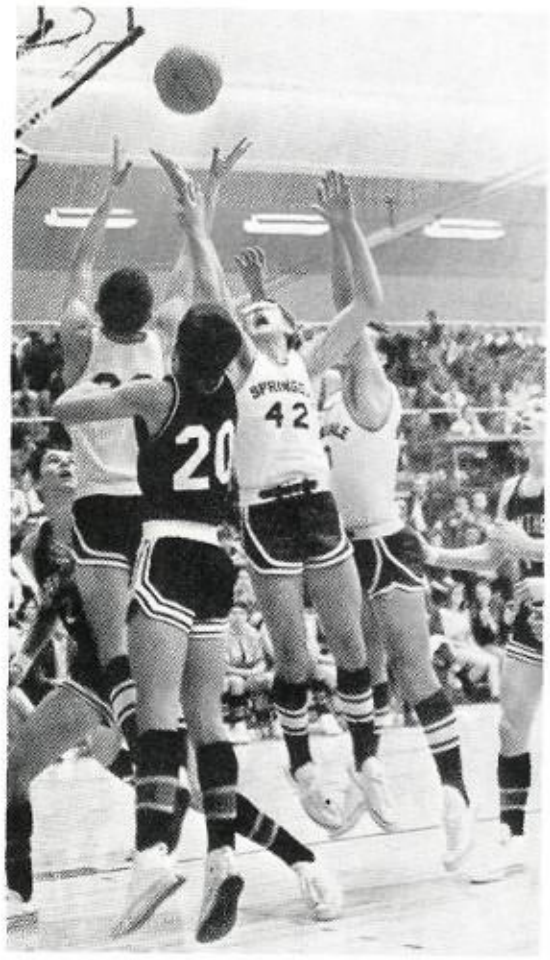
Fayetteville increased their lead slowly but constantly throughout the first half. The Purple 'Dogs were on top by a score of 57-37 at the final buzzer.

Ward (43), and Reed (33) attempt to check an aggressive Fayetteville player.



'Dogs Place Second in Springdale Tourney

The Fayetteville Bulldogs slid by the Springdale Bulldogs in the finals of the Springdale Invitational Tournament, to win the First Place trophy. The Van Buren Pointers placed third. Mulberry won the Sportsmanship trophy.



'Dogs go high for a defensive rebound against Siloam in the tournament.

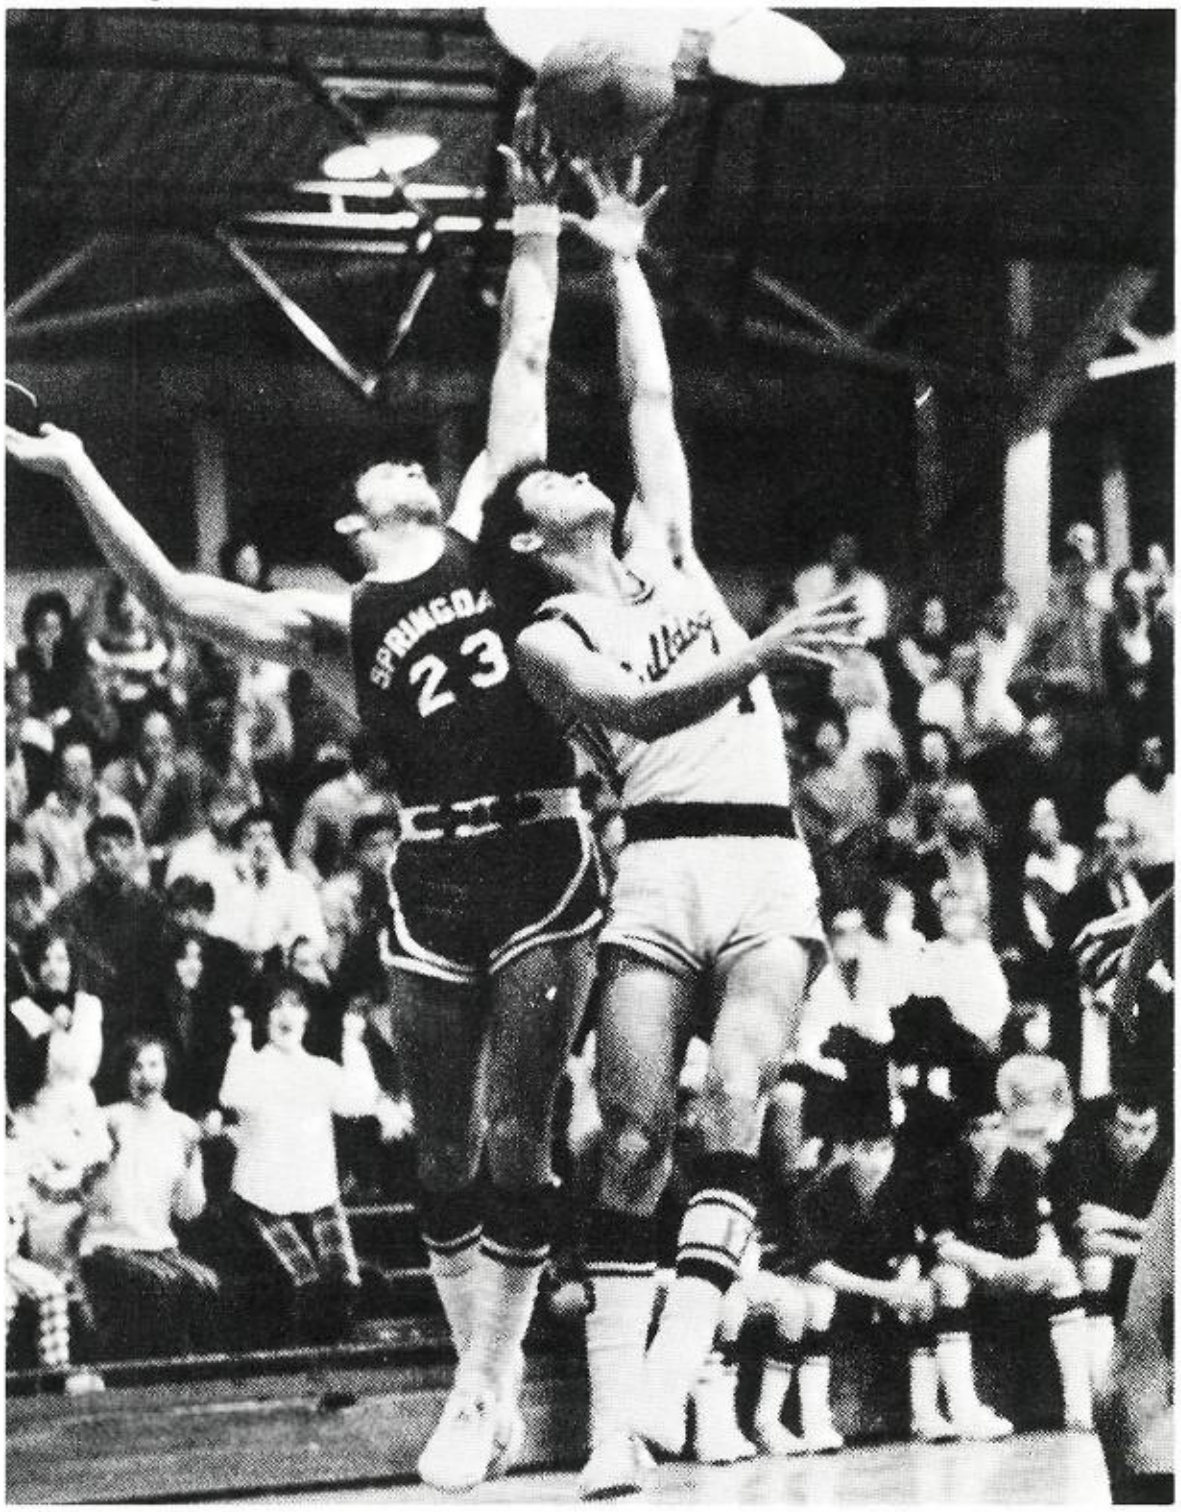
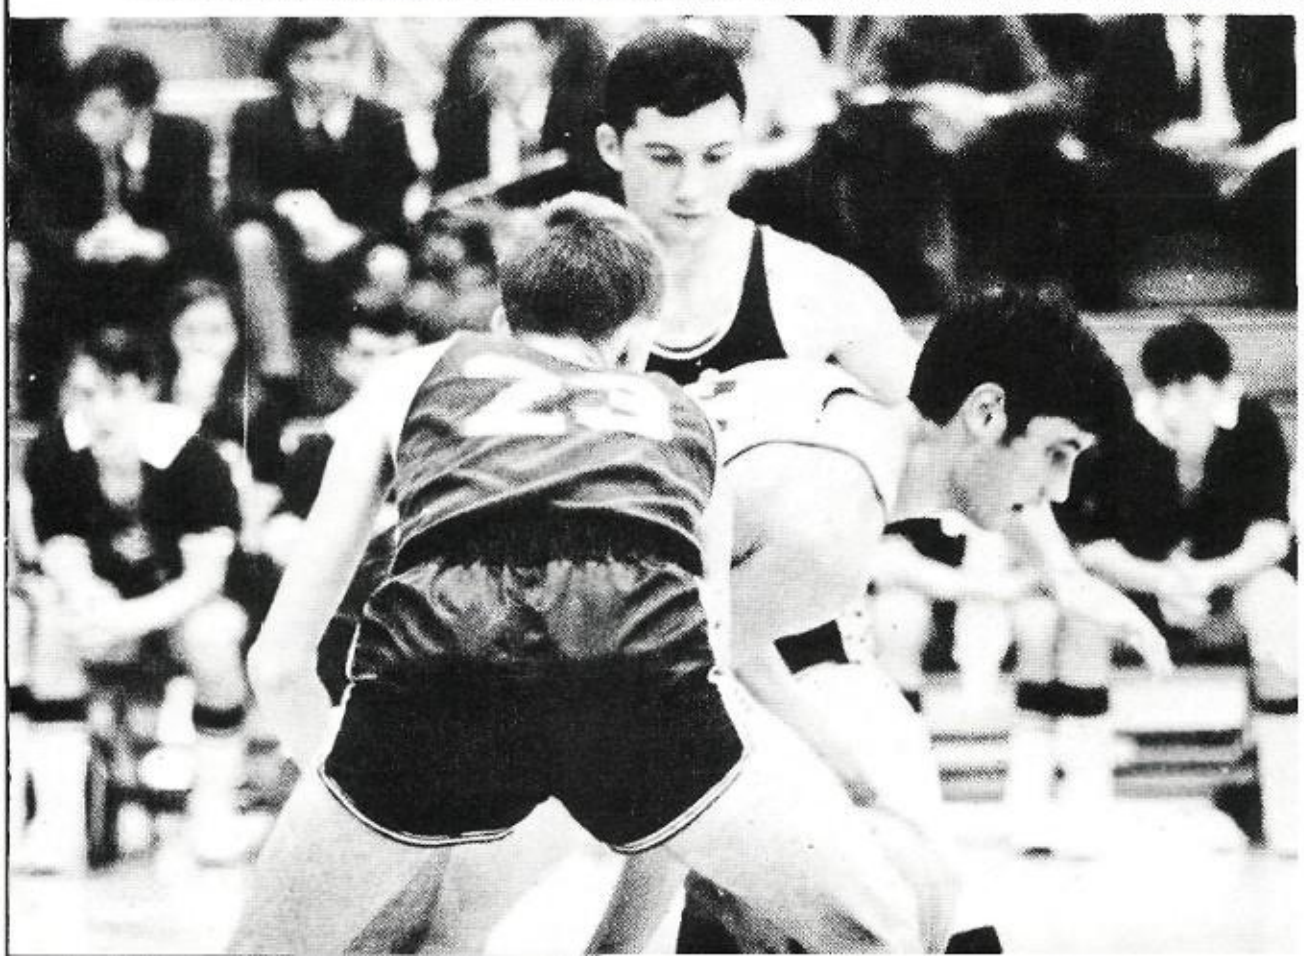
Conference Games Show Dog's New Energy



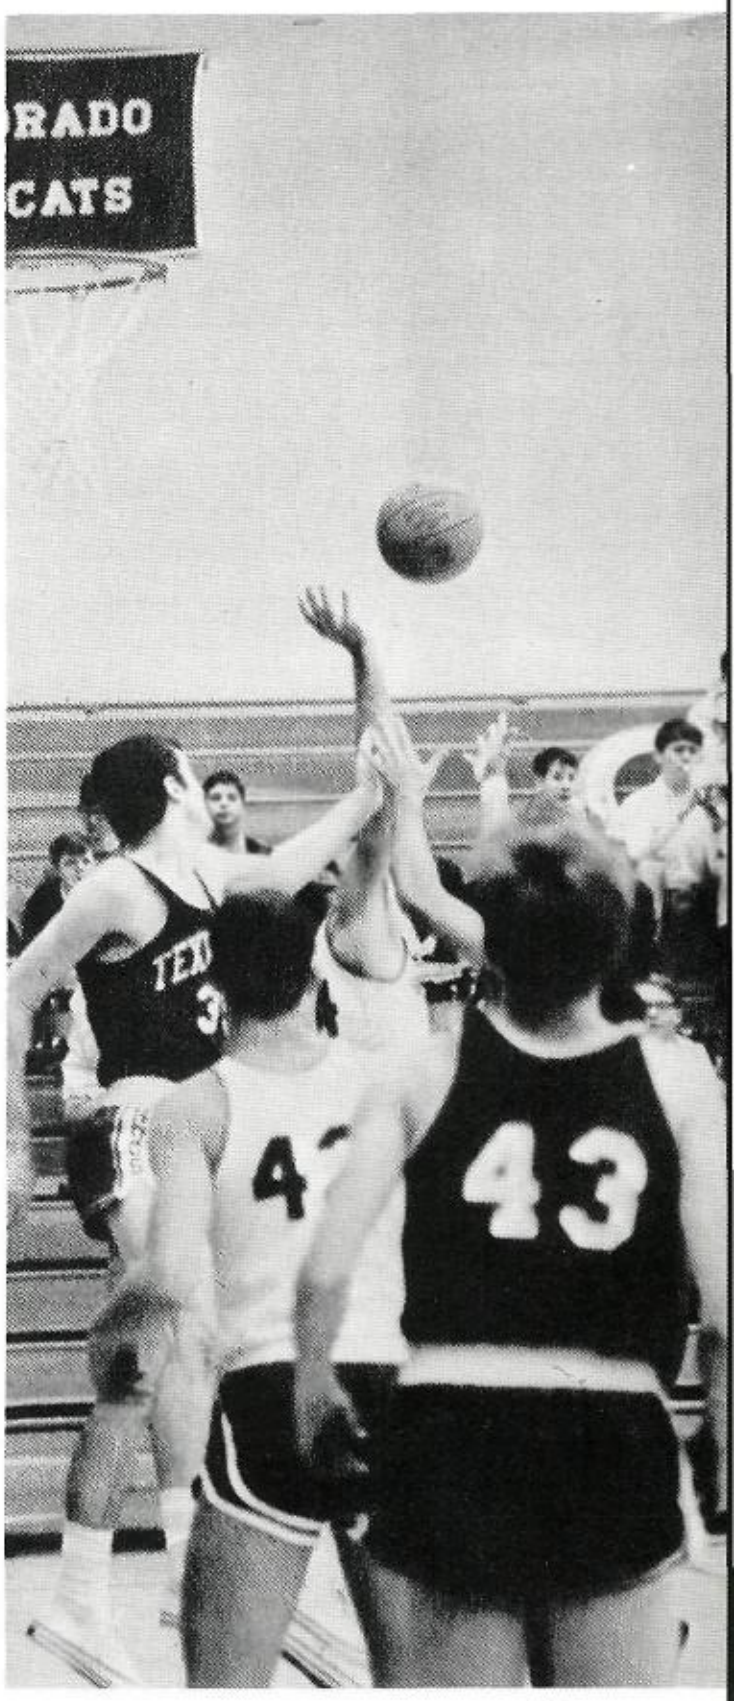
Junior Smith takes a rebound from a Fayetteville player, Larry Combs.

Lankford squeezes through two Hot Springs defenders as he works the ball down-court.



After a decisive 50-44 win over the Texarkana Razorbacks, the 'Dogs faced the Fort Smith Southside Rebels. The 'Dogs, although outsized, were surely not outfought. They took the lead several times during the game, but the Rebs finally ended the game with a 63-56 victory. Rebounding was led by Mike Lankford, who also led in total points for the 'Dogs. Junior Smith was second in total points.

Springdale and Texarkana players reach for a loose ball.



'Dogs End Season With Solid 13-8 Record

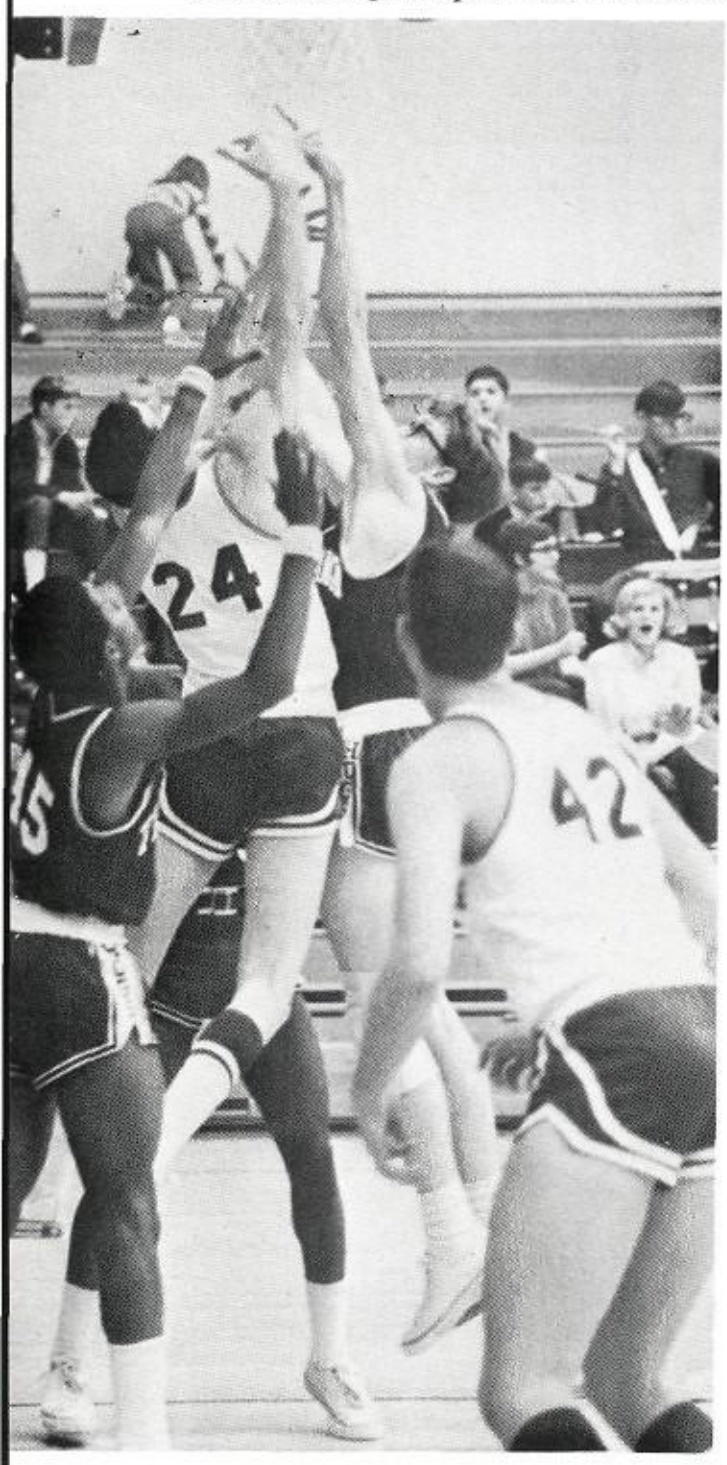
The Bulldogs, remaining in conference play, pulled an upset over the Hot Springs Trojans before falling to Fayetteville.

Journeying to Mountain Home, the 'Dogs were victorious in a non-conference game. The 'Dogs ended their scheduled season by falling to the Southside Rebels.

The 'Dogs then went to the state tournament where the Jonesboro Hurricanes put an end to the whole 1968-69 season for the 'Dogs, leaving them with a record of 13-8.

Although outnumbered by opponents, Kendall Reed tries to snatch a loose ball.

Tommy Ward (42) comes in to assist as Rick Collins goes up to take a rebound.



Lankford is unstoppable as he goes in for a lay-up and takes two from Fayetteville.

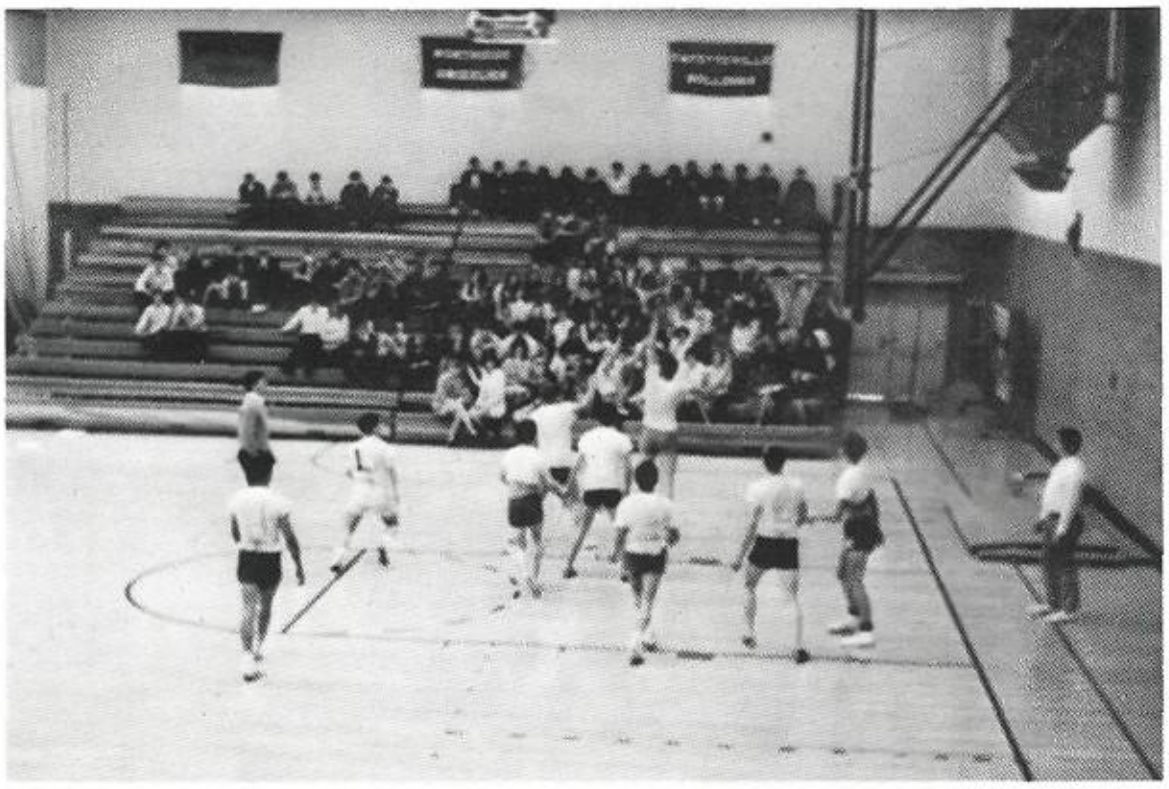
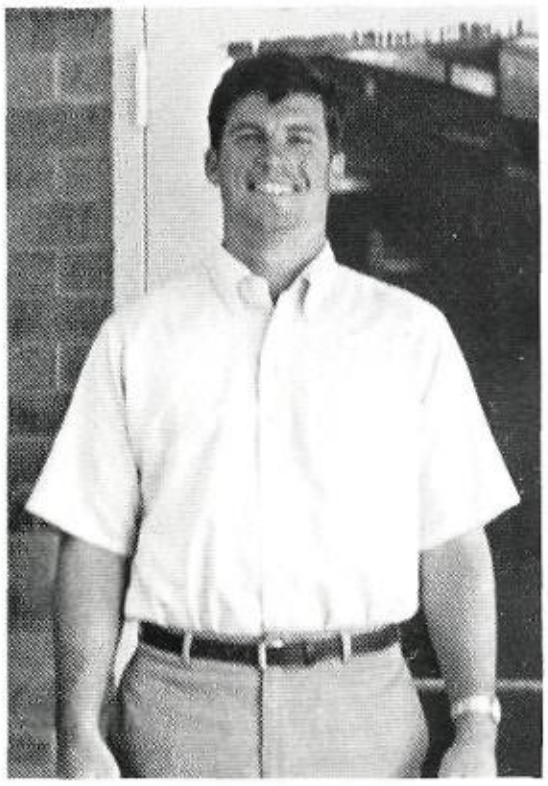
Intramurals Involve Many During Homeroom

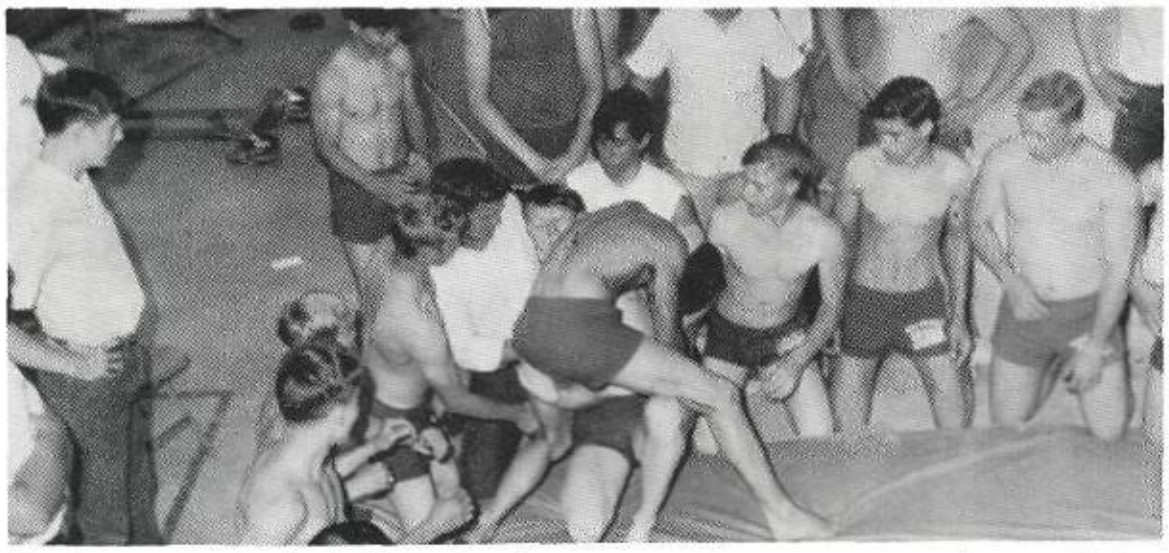
Throughout the year, homeroom teams competed in volleyball, basketball, track, and wrestling. Games were played on an elimination basis. A scoring system of five and three points for first and second places was used for the intramural activities. The team receiving the most points during the intramural games became the all-round boys intramural champion.



Mrs. Polly Clark's homeroom team, the "Bull frogs", take over the basketball championship at an all school assembly.



Intramural sponsor, Stu Berryhill, takes time out from his coaching responsibilities.



In the wrestling finals, held in the afternoon, a winner was chosen from each class, Terry Cagle (light weight), Darrell West (middle weight), and Lonnie Taylor (heavy weight).

This club was organized for the enjoyment of the students and to promote physical fitness. The members met each morning before school and during homeroom to prepare for performances at school assemblies and to compete among themselves.

The money which the club earned for performing at assemblies was used to purchase uniforms and equipment.

Student Council Reactivates Sadie Hawkins Day

The Student Council is the student body's voice in the government of the school. Club meetings are spent in the discussion of school problems and possible solutions for these problems.

The members of Student Council are elected by popular vote in their individual classes. The officers, however, are elected by student body vote.

The Student Council had many activities this year. One was the annual Magazine Drive. During this drive both classes and individuals were in competition with each other to sell a maximum of magazines.

Student Council also was responsible for recruiting students to sell in the concession stands at the rodeo.

Other activities included the clothing drive for the needy held at Christmas, the sponsoring of a summer workshop at Petit Jean, the Christmas dance and a special assembly held on Veteran's Day.

Janet Cawood, Homecoming Queen

Festive Events Highlight Homecoming Day

Much hard work and effort can plainly be seen as the Seniors proudly display their float in the Homecoming Parade. This float won the Sweepstakes title.

Queen Janet expresses her enthusiasm for the 'Dogs as they near the goal line.

In elections as secret as some of their best plays, the members of the football team elected the homecoming queen and nominated the maid candidates, who were later elected by the student body. Janet Cawood was selected as '68-'69 Homecoming Queen with a court of 15 maids.

An assembly sponsored by the Pep Club, was given in honor of the Homecoming Court. Earl Voss, a former coach at SHS, was the guest speaker.

At the end of the assembly program, the Homecoming Parade was held. The Junior Class won first place in the float division with their "Bust the Bears" theme. "Cash in the Grizzlies," the theme of the Senior float, won them the Sweepstakes award. The Sophomores received third place for their float, "Nail the Grizzlies."

Queen Janet was crowned in the coronation ceremony prior to the Springdale vs. Northside game. The Queen and her court were honored at the annual Homecoming Dance following the game.

Pep Club Cheers Bulldogs to Victory

The Pep Club is one organization known above all the others for supporting the Bulldogs during football and basketball seasons. The members give up their time during homeroom and after school to learn cheers and routines to perform at the games.

The Powder Puff football game and the Homecoming dance were two main money-making projects held this year. Preceding the annual Homecoming parade, the Pep Club held an assembly in honor of Queen Janet Cawood and her court.

Variety of Talent Initiates Interest

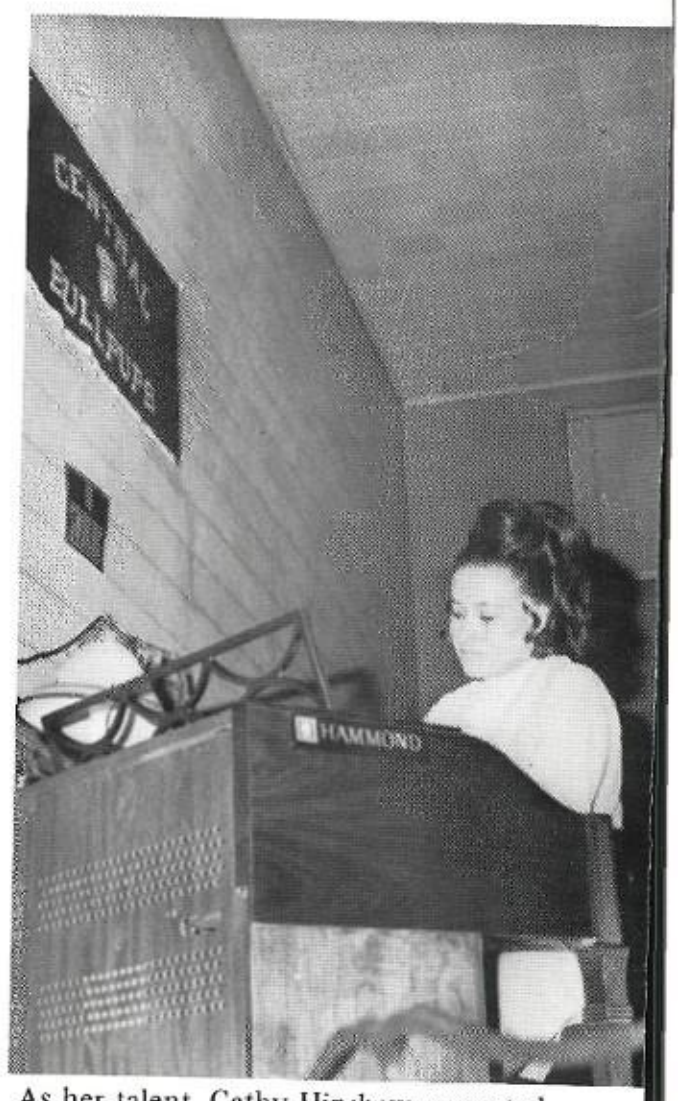
Many hours of work and practice were put in before that final moment when one girl out of 16 was crowned Miss SHS.

Under the direction of Mrs. Dean E. Walker, general chairman, each girl received advice and counseling on make-up, poise, and talent. The participants are judged 25 percent on beauty, 25 percent on personality, and 50 percent on talent.

The afternoon preceding the pageant, a tea was held at the home of Mrs. H.E. Schmeiding. This gave the judges a chance to meet each girl individually. Each contestant also was interviewed on KGTO TV in Fayetteville.

The pageant is sponsored by the annual staff, and the proceeds are used to finance the yearbook. Seniors captured all four winning positions.

Sherri Barron practiced her winning talent before presenting it to the audience.



As her talent, Cathy Hinshaw presented a medley of songs on the jazz organ.

With much surprise and pride, Susan Parrish tearfully accepts her trophy.

A dance and monologue was the talent presentation of Becky Nelson.

DeeAnn Davis gave a portrayal of a "Ladies Nightly Ritual."

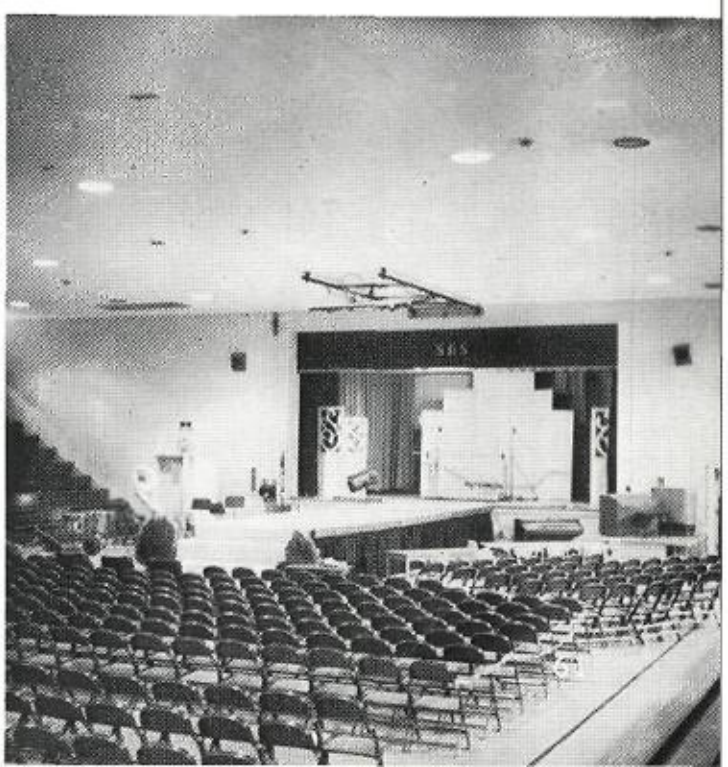
The Field House represents many hours of preparation for the anticipated event.



'69 Annual Contains Senior High Students Only

The yearbook staff under the direction of Mrs. Kay Flanagan, strived to capture forever in pictures and words the 'Spirit' of the 68-69 school year.

Due to the omission of the two junior high schools in this year's annual, the staff members were able to give each club more detailed coverage.

To further their knowledge of yearbook construction, eight representatives attended the CSPA convention in New York and three attended the Henington workshop in Fort Smith.

FFA Members Plan For Agriculture Careers

To be a member of the Future Farmers of America, SHS boys must be enrolled in an agricultural class and have some type of home project. FFA is under the guidance of Mr. Archie Knight the agriculture teacher.

With several activities of the FFA, the most popular was the Junior Rodeo held August 9 and 10, 1968. The Rodeo offers local members a chance to take part in rodeo events. Vickie Meador, senior, was selected Rodeo Queen.

Other activities included a trip to St. Louis, and an annual banquet in the Spring. Gail Rollins was named Sweetheart after competition in January.

NHS Elected as President of Tri-County

On the basis of character, scholarship, leadership, and service, the top ten percent of the Junior Class may be admitted to the National Honor Society. The Scientia Chapter also requires that a student have a grade average of at least 3.6. Thirty-three Senior members were joined in October by 18 new members of the Senior Class. In a school assembly in April, 36 Juniors met the qualifications and were selected as members.

Activities of NHS included selling SHS pennants. The money raised was used to buy blue stoles which bear the NHS emblem, and identified NHS members at graduation.

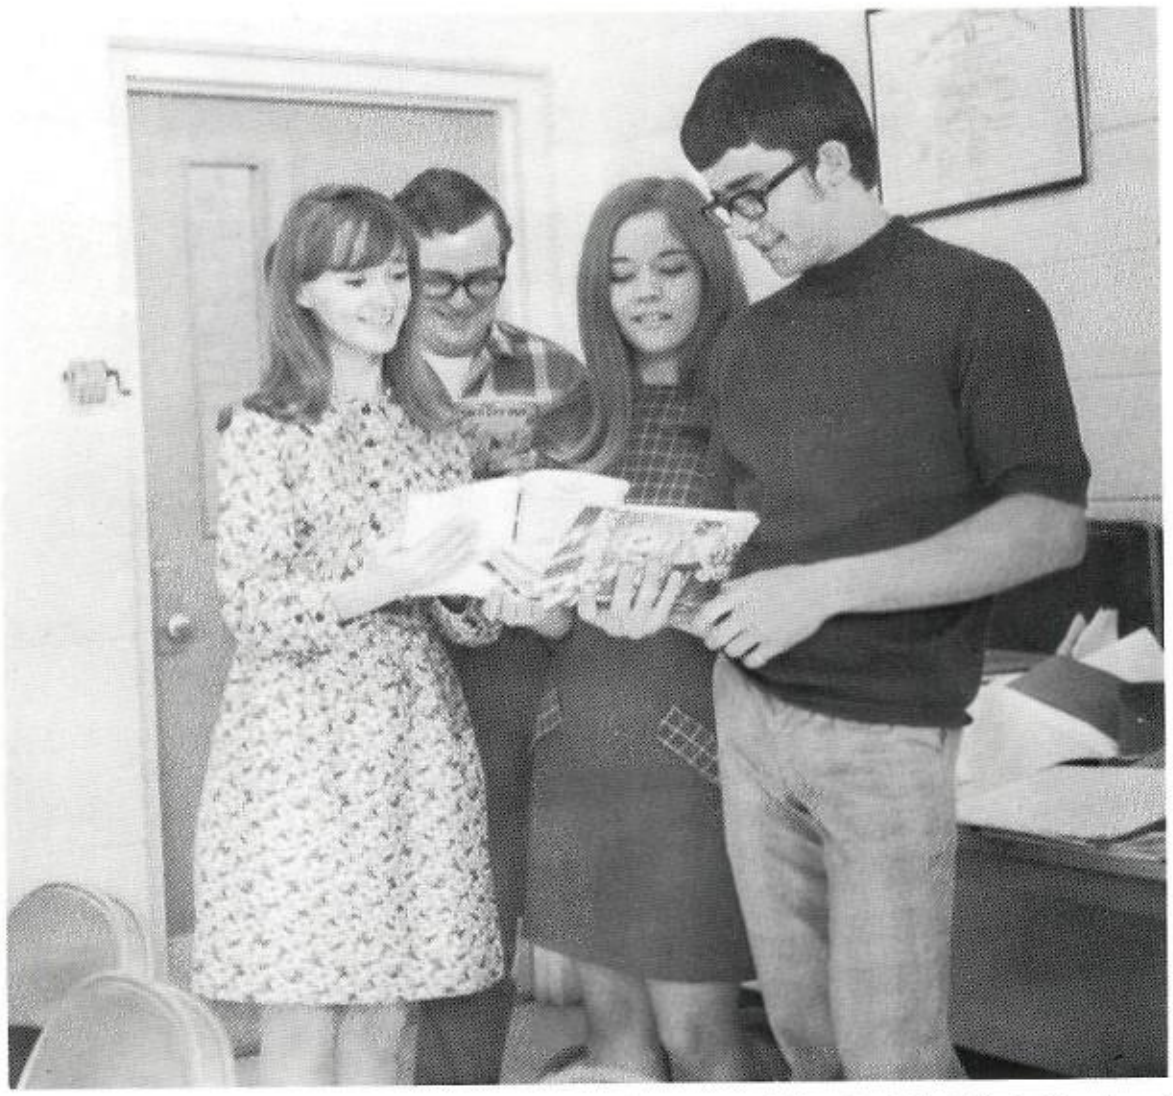
Thespians Recognize Outstanding Students

Thespians is a national organization established to promote interest in high school dramatics. To obtain membership each student must earn a certain number of points. These points can be earned by participation in speech tournaments and work on plays.

The Thespians presented a trophy to David Herdlinger for being the best speech, debate, and drama student. This year was the first time that this award has ever been given.

Also they held a special award program for the speech and drama departments.

Ken Shumate and Shawna Brown realize that hard practice pays off as they earn points for Thespians in the Junior Play.



President Margaret Manus, Secretary Jimmy Thompson, Vice-President Carla Byrd, and Treasurer Chester Jones discuss plans for the special speech department awards program.

Thespians earned money to pay for trophies that were given during a special program, in which they recognized several persons who had aided them during the year.

Para-Medical Club Holds Valentine Sale

The Para-Medical Club, formerly Future Nurses, is sponsored by Mrs. Shelley Lippman and Mrs. Cozie Roller.

The 25 members of the club joined to receive a deeper understanding of the various medical fields. They met bi-monthly to receive such information as personal and educational requirements for a medical career, a general idea of type of work done, and opportunities for employment and promotion in the field.

In order to acquaint its members with the structure of a hospital, one activity was to tour the Veterans Hospital in Fayetteville, Arkansas.

Sponsors and officers plan a field trip to Veterans Hospital in Fayetteville. They are (L. to R.): Mrs. Cozie Roller–sponsor, Betty Dixion–Secretary-Treasurer, Regena Vanzant–President, Vickie Casavan–Vice-President, and Mrs. Shelley Lippman–Sponsor.

The Board Works Tirelessly to Better

Dr. John Dorman, president, leads discussion on attending the Chamber of Commerce Dinner in Little Rock.

Superintendent Thurman Smith reads a report from the State Department of Education prior to presenting its basic ideas at a school board meeting.

the School and Implements More Innovations

The school board which is composed of seven prominent men in the community are elected to their post by the citizens of Springdale.

Bi-monthly meetings are held during which reports from the committees are heard and any innovations are discussed. School patrons may bring any new idea or complaint before the board during these meetings.

The school board establishes policies and initiates improvements to keep pace with the needs of a fast growing community. They satisfy these needs whether material or abstract.

In order to do its work efficiently, the school board has divided its members into four committees; finance, personnel, plant, and special services.

The finance committee has the job of budgeting for both school operation and salaries of those employed in the school system. This committee is composed of Stacy Looney and Walter Turnbow.

Faculty members, or any other school personnel, who have problems or complaints may take them to the personnel committee for recognition and discussion. Jim Cypert and Elbert Edmondson are members of this committee.

Plant committeemen Joe McKim and Thurman Parsons are responsible for any building plans made and for long range planning for the growth of the school.

Stacy Looney and Thurman Parsons, on the special services committee, take care of any trips made by students and special activities of any class, club or organization.

SCHOOL BOARD MEMBERS: Thurman Parsons, Joe McKim, Elbert Edmondson, John Dorman, Jim Cypert, Stacy Looney and Walter Turnbow.

Superintendent's Office Activity Center

Mr. Thurman Smith, Superintendent of the Springdale School System, has served in this position for six years. He has also served as a teacher and assistant superintendent in Springdale.

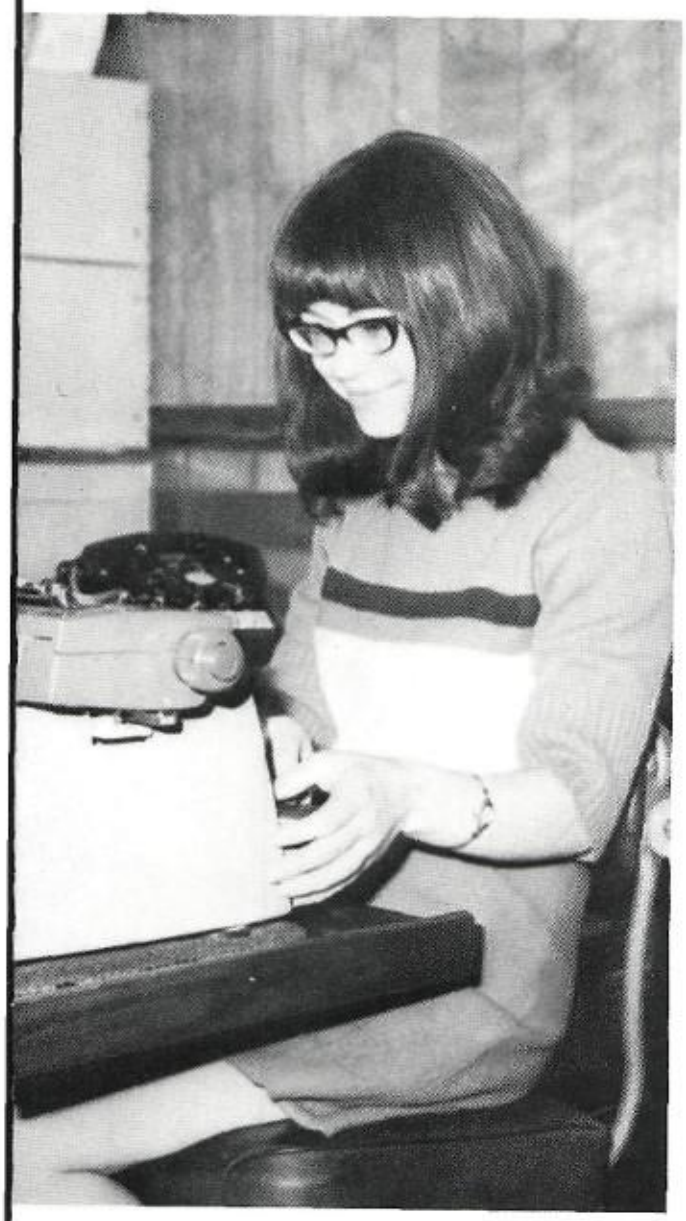
The main duties of the superintendent are to serve as chief executive officer of the board of directors and administrative head of all divisions of the school system. Included in his responsibilities are directing weekly meetings of all principals in the system and aiding them in solving their problems and planning the week's activities. Mr. Smith visits each school in the system—from elementary schools to the high school—on a regular basis.

Last year Mr. Smith started an article, "About Your Schools," in the Springdale *News*. This program was designed to help acquaint parents with the Springdale School System. Interested persons may submit questions concerning the schools, which will be promptly answered in print by Mr. Smith.

Superintendent Smith answers questions concerning school zoning asked by interested parents at an open school board meeting.

Mrs. Nellie Griggs prepares a letter for the morning mail as one of her daily duties.

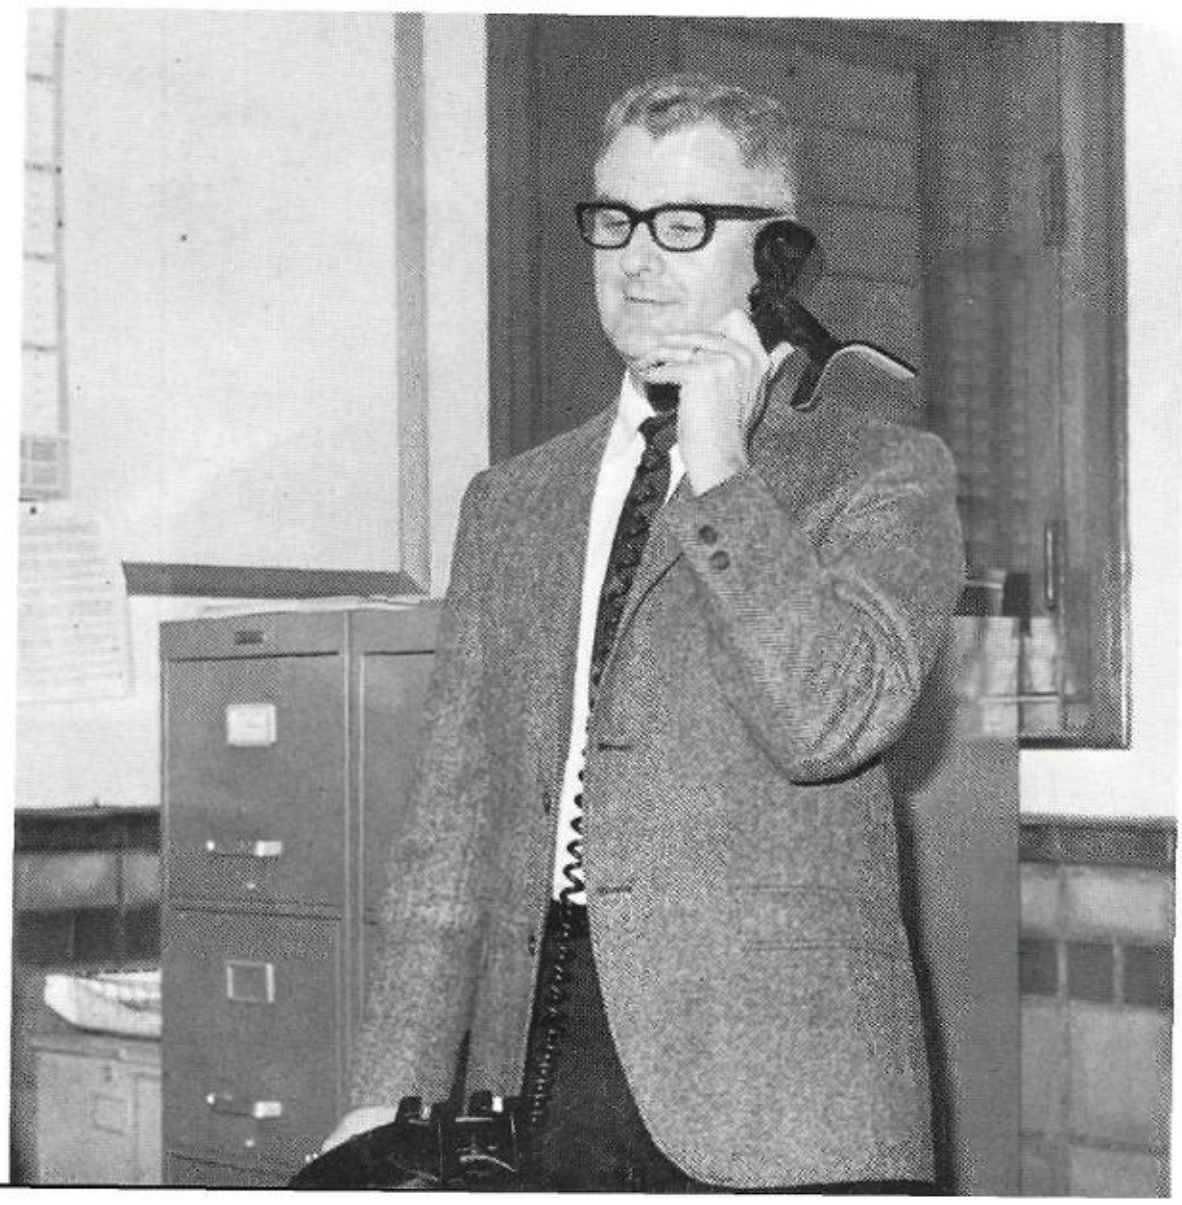
Nurses Cozie Roller and Iona J. Flowers start their daily routine as they leave the school Administration Building for the high school.



Receptionist Gayle Hinds types an official bulletin for Mr. Smith.

Mr. Leon Gaines, assistant Superintendent, reviews a manual of bus equipment for 1969.

Mr. Norman Crowder, Director of Curriculum, discusses proposed classes with senior high counselors in order to prepare for the 1969-70 school year.



Mrs. Corine Nicol places vital information in all teachers work folders.

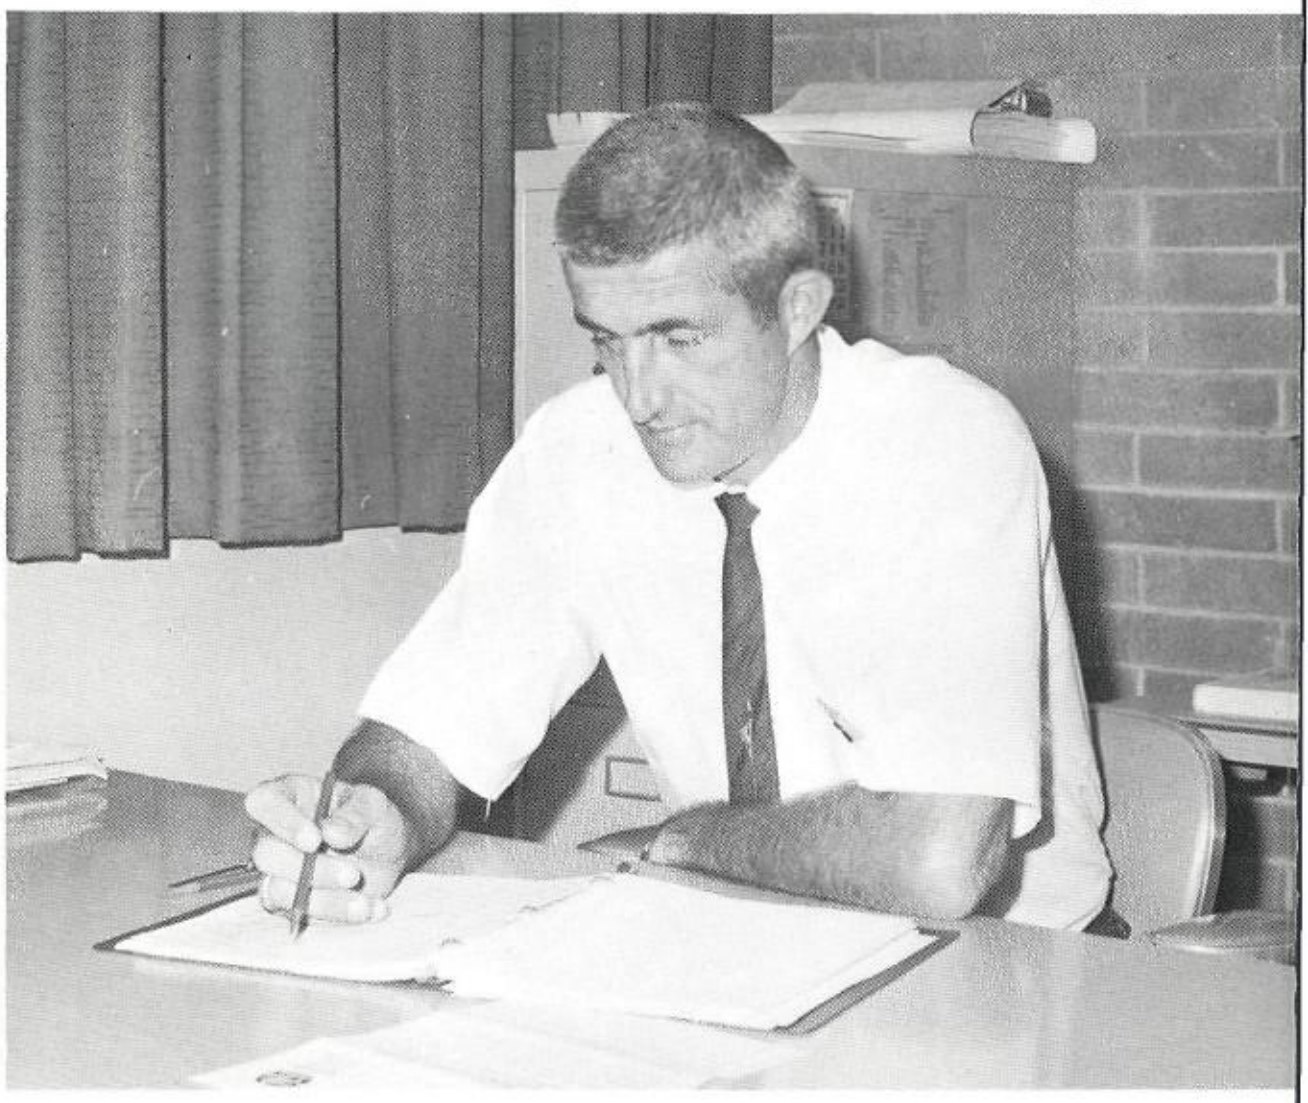
Principal, Vice-Principal, Office Staff

Mr. Benny Moore, principal, continues in his second year to emphasize the importance of a mutual respect and cooperation between students and teachers.

Mr. Moore has given his support to such new innovations in education as team-teaching and the work-study programs.

Supervising attendance, discipline, and club activities are three jobs executed by the assistant principal, Mr. Harold Brown. His job is a time-consuming one, but he finds time to chat with and discuss the problems of individual students, and to give his support at all athletic events.

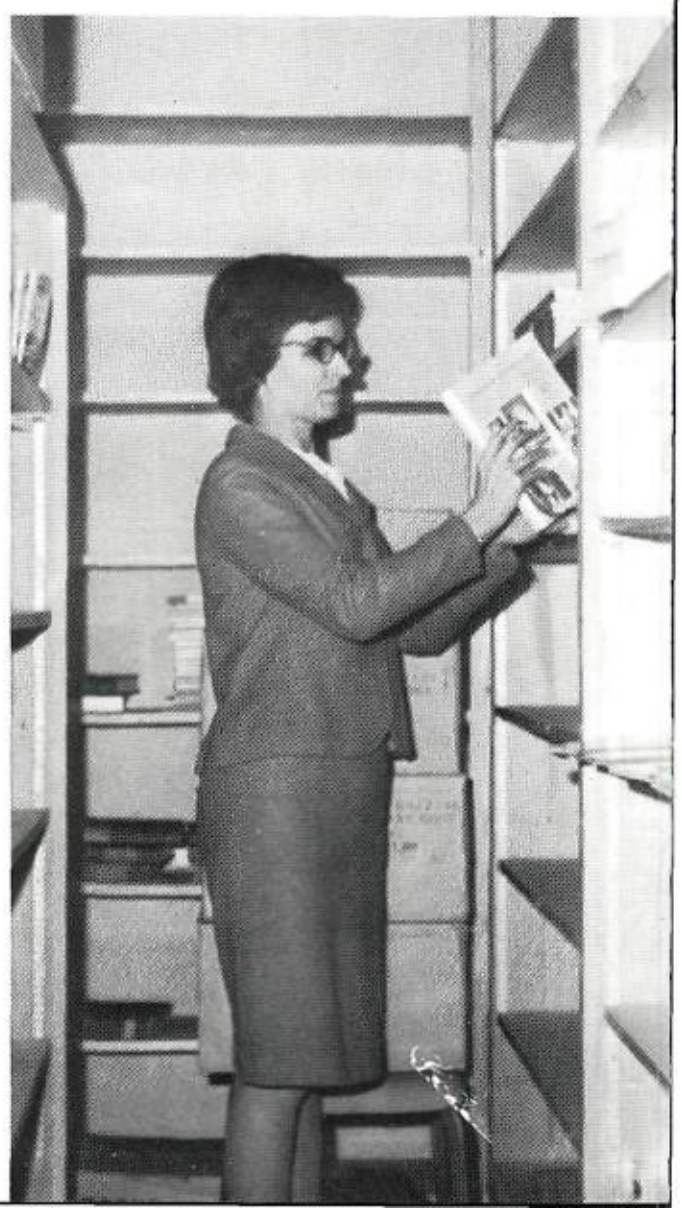
A valuable asset to Springdale High is Mrs. Marcella Phillips, registrar. Along with her duties of enrolling new students, she spends many busy hours diligently handling correspondence and supervising office helpers. Aiding her in office work is Mrs. Zinetta Brooks and Mrs. Lulla Belle Powers.



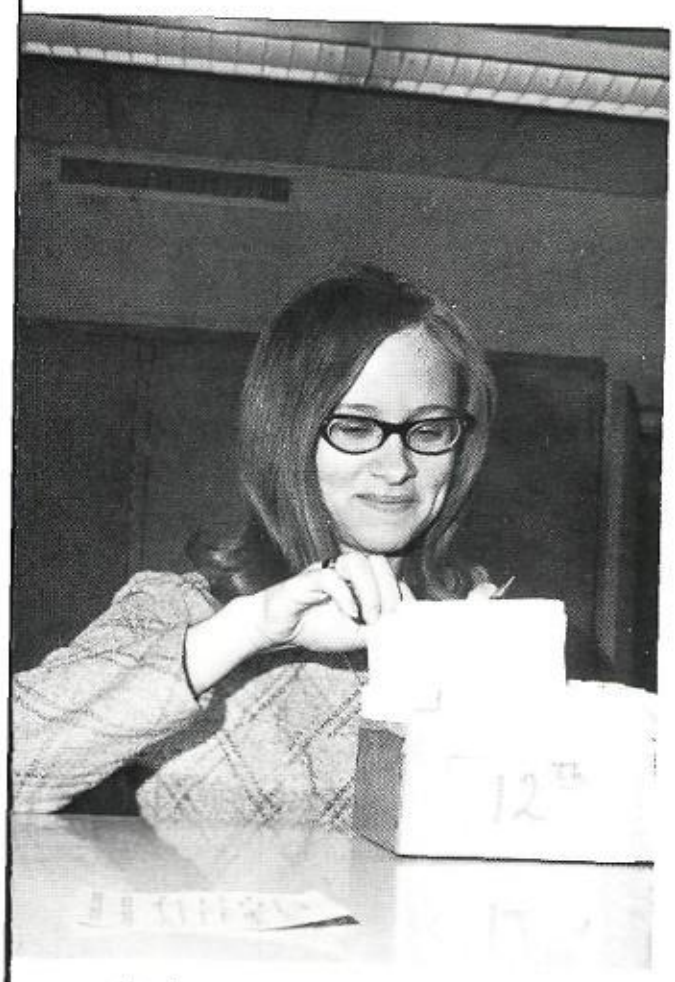
Principal Benny Moore checks class enrollments while equalizing teacher's work loads.

Mrs. Marcella Phillips, registrar, completes required forms in the monthly enrollment report for the State Department.

Mrs. Lulla Belle Powers, bookstore supervisor, rearranges used books.

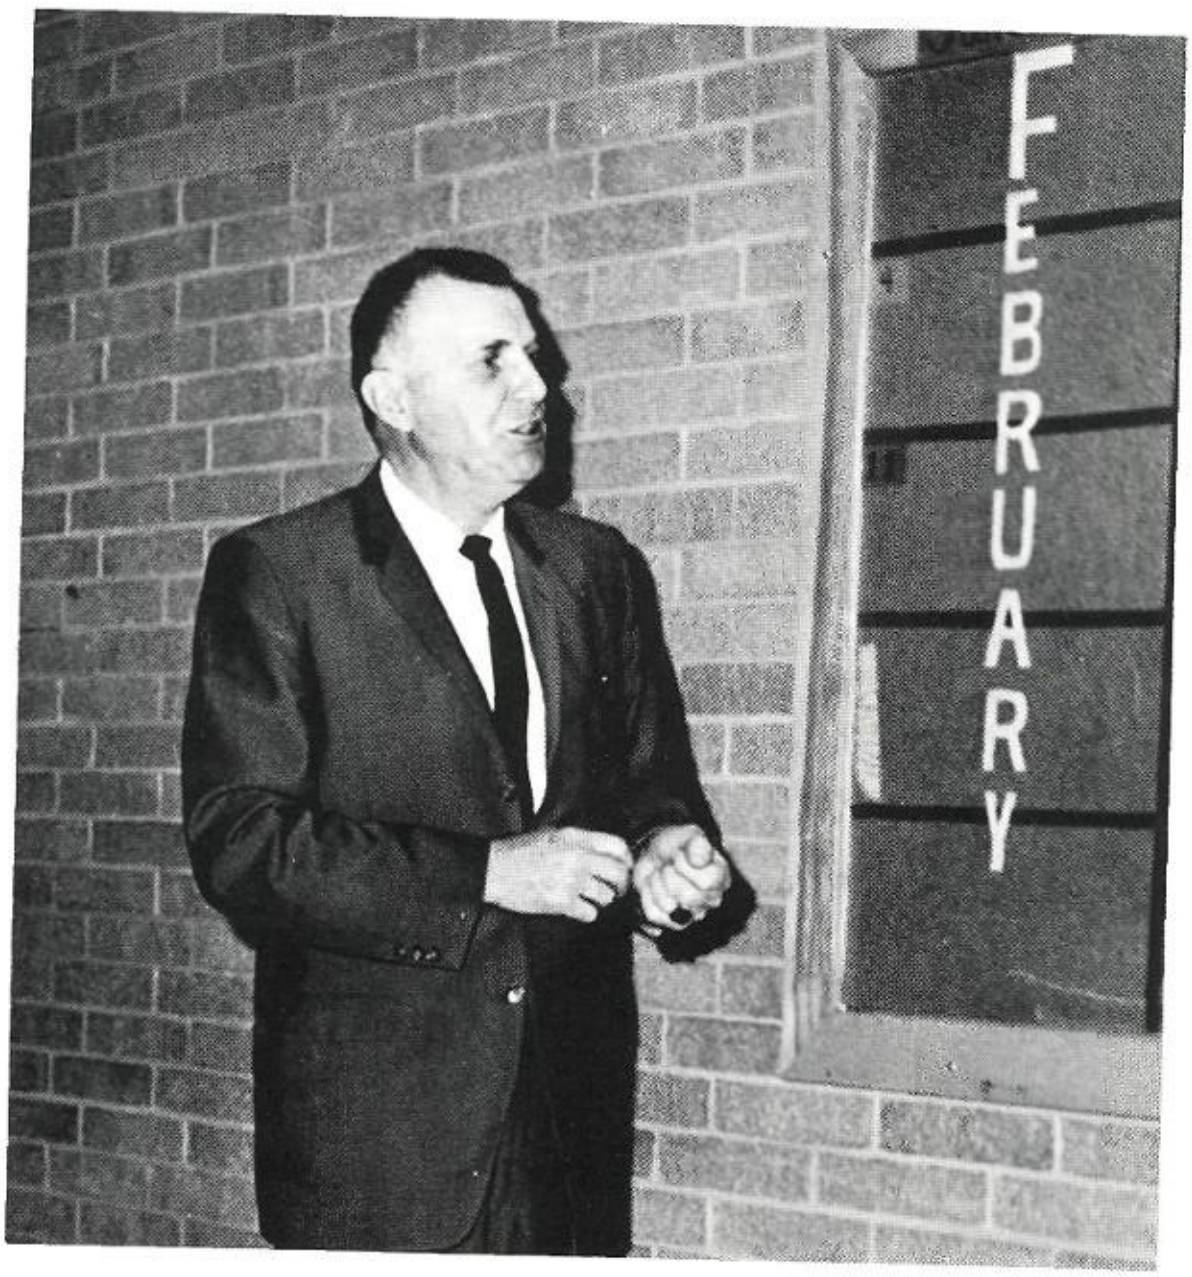


Combine to Co-ordinate School Affairs



Student helper Joene Reed marks absences.

Mrs. Zinetta Brooks, secretary, prepares to run-off nine weeks tests.



Vice-Principal Harold Brown student activity director, checks the February calendar for organizational meetings. Mr. Brown is in charge of the bookstore and is sponsor of President's Council and Student Council. Besides these activities he is also responsible for the concession stand at athletic contests and maintains discipline in the student body.

School Spirit at SHS Heightened by

Mr. Louis Dewett and Mrs. Virginia Strickland, counselors, provide a vital service to the students of our school. They prove to be of great assistance to students who request or need a schedule change and strive to place them in classes in which they will excell.

One of their many duties is to conduct standardized tests such as SCAT, ACT and the Iowa test.

Their office serves as an information center where college annuals, pamphlets, bulletins, and lists of scholarship possibilities are kept.

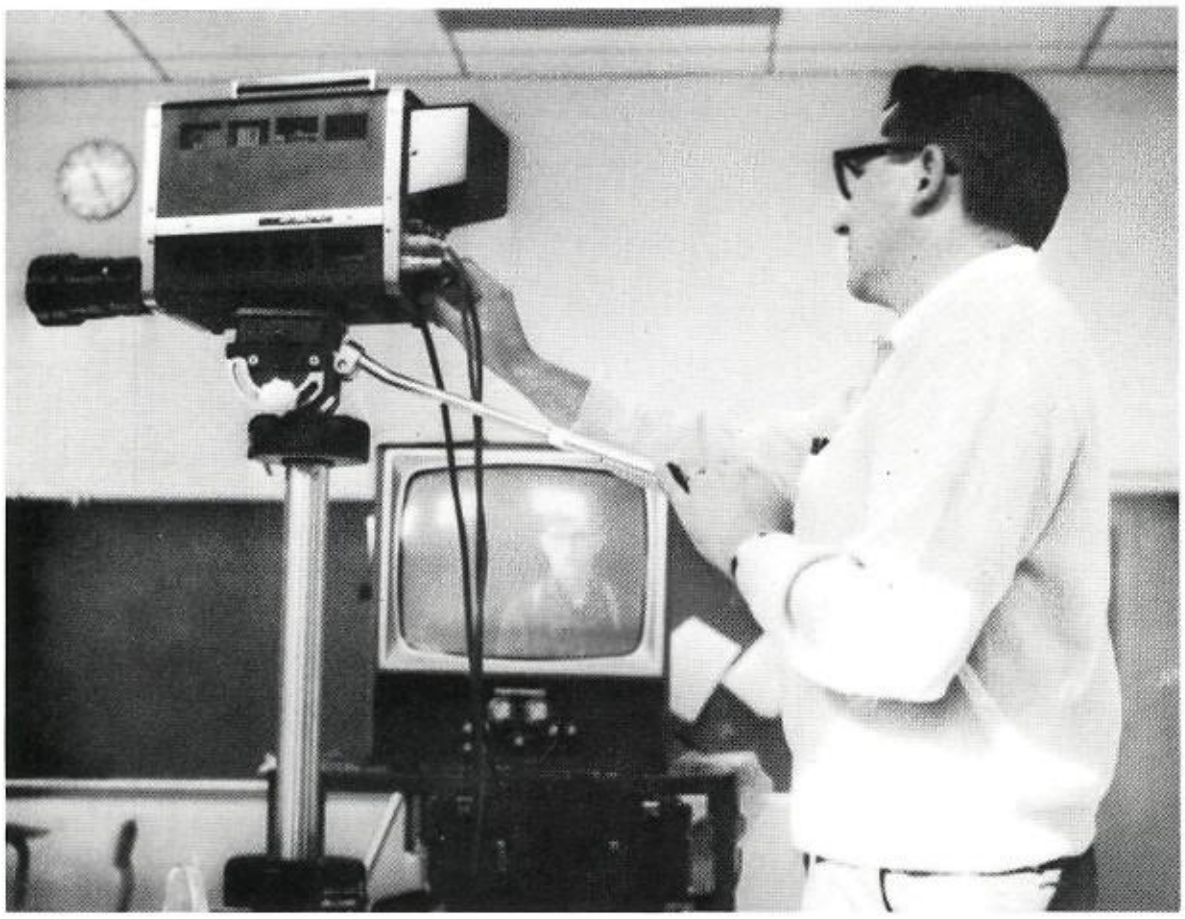
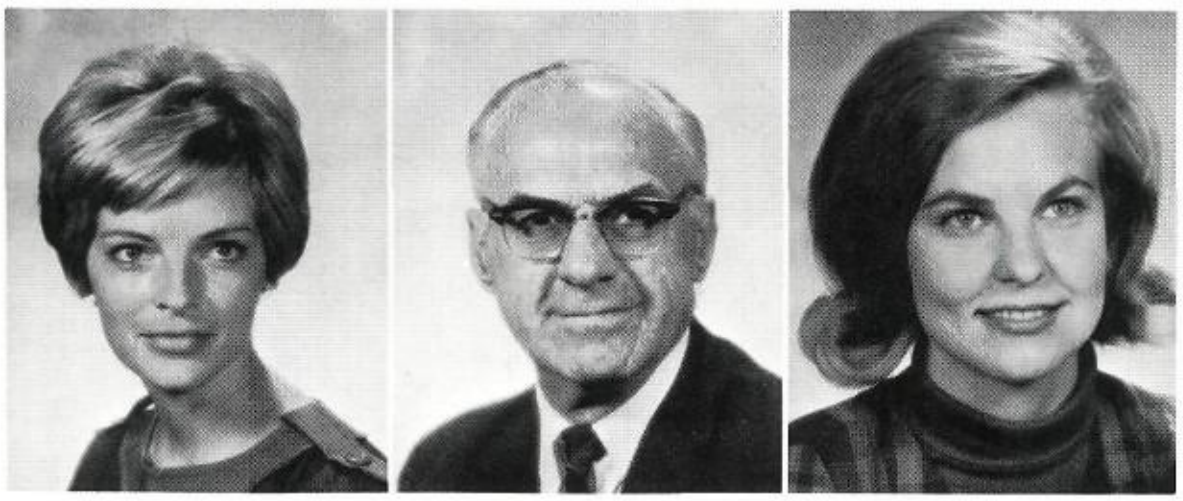
Morale and Vitality Possessed by Faculty

Mrs. Dina Cagle, SHS choral director, rehearses the Girl's Chorus before performing for the student body at the Annual Veteran's Day assembly.

Art instructor James Davis examines and criticises senior Brenda Barbee's collage.



Head of the speech and drama department, Mr. Paul Shaffer, adjusts the camera lens on the school's newly acquired television monitoring and recording system.



The drama and speech departments at SHS are worthwhile to the student who seeks the knowledge of being able to speak before an audience.

Participating students become acquainted with the proper way to present a speech.

Finding ways to express themselves is the desire of each student enrolled in the art department. Upon completion of the course they find that there are many ways of portraying their feelings.

The music department gives students the experience of working together and performing.

Honors Classes Learn Structural Grammar

Mrs. Patsy Gary, high school librarian, places many book orders this year in an attempt to stock the library with the most useful and current selections.

Students in first and second year French and Spanish classes learned the basic rudiments of the language by practicing and memorizing dialogues and drills. First year students formed conjugations of verbs while second year classes composed sentences.

In the English Department students spent long hours studying both the mechanics of the language and literature.

The library proved invaluable to language students for such things as research on authors and preparing book reports.

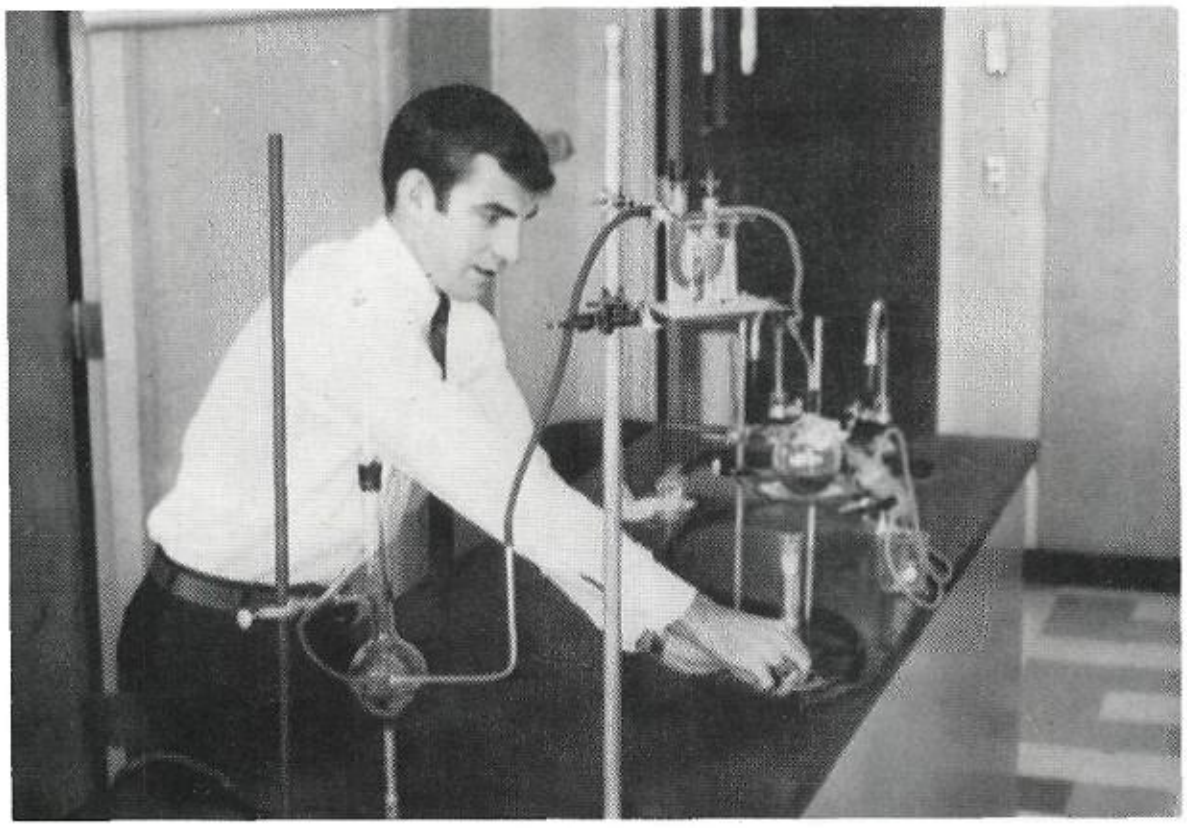
Science Classes Utilize Lab Facilities



Chemistry teacher Dan Maestri demonstrates processes of distillation.

The science department at SHS feels the cultural value of elementary science and chemistry lies chiefly in showing how a measure of order and meaning can be obtained from our otherwise bewildering observations in the world of matter. Work in the laboratory is a large part of any field of science, and the labs are maintained and taught as a part of every science course.

There are a number of business and industrial arts courses offered at SHS to prepare students who are going into those fields.

Students who will be seeking jobs upon completion of high school or those who merely wish some practical knowledge find it worthwhile to take courses such as woodworking, general metals, residential wiring, business machines, business math, typing, bookkeeping, and shorthand.

Team teaching, which was initiated this year at SHS, combined such courses as American History and Algebra II, Plane Geometry and World History.

Cooks and Custodians Prove Invaluable

CUSTODIANS–*(front row)* Mr. Otis Todd, Mrs. Otis Todd, Mr. Lee Cook, *(second row)* Mr. Walter Johnson, and Mr. James Griggs.

The combined work of the cooks and custodians provides a service which is invaluable to the health of the students at SHS.

The cooks at SHS emphasize that each meal prepared during the school year be of high nutritional value. All meals are planned with this in mind.

The maintenance of the school is a job executed solely by the custodians. They see to it that the inside of the school is kept clean and sanitary and the outside has a neat appearance.

In order to do their job to the best of their capabilities the custodians are divided and work either the day or night shift.

COOKS–Mrs. Ethel Lockhart, Mrs. Lillie Shaver, Mrs. Donna Mustain, Mrs. Inez Johnson (head cook), Mrs. Geneva Pennington, Mrs. Mable Dixon, Mrs. Ina Reed, Mrs. Betty May, Mrs. Nadine Hamilton, Mrs. Reba Hall, and Mrs. Agnes McGaugh.

Council Elections Held at Start of '68

Throughout the year, the sophomore class participated in all SHS activities. They proved themselves to be stiff competition for the Juniors and Seniors, and left behind a fine record of achievements.

Sophomores sold more magazine subscriptions than the upperclassmen to place first in the annual magazine drive. The energetic "sophs" combined their ideas and talents to win several homecoming events. Class council members and officers led their class in such money raising projects as a mistletoe sale at Christmas and several rummage sales. The Sophomore class demonstrated their school spirit by supporting the Bulldogs with enthusiasm at games and pep rallies.

Juniors Earn Respect Through Hard Work

Junior class officers, Jo Ann McKim, secretary-treasurer, Mike Sample, president, and Wendy Henry, vice-president enjoy planning one of the class's many projects.

The Junior class proved to be stiff competition for the Senior and Sophomore classes this year. The Juniors displayed their spirit by making posters, floats, and cheering in pep rallies and at games. The Juniors placed first in the float division of the Homecoming parade.

Much time was spent planning and organizing the Junior-Senior prom. The class began earning money by working in concession stands during the rodeo, then as school started, pop-bottle drives were held. The annual fruit cake sale was held before Christmas.

Upon completion of the Iowa test the Juniors began doing research for term papers for American History and English classes. In May the Junior English classes published the BELLES LETTRE.

Seniors Win Trophy Presented at the

The class of '69, conscious of their responsibility to lead, conducted themselves in such a way throughout the year as to gain the respect of students as well as faculty members.

The seniors showed their leadership and ability to cooperate by being a part of the majority of organizations on campus and by helping plan many school activities.

The class of '69 initiated, by a majority vote, a new procedure for the commencement exercises. The traditional pattern of couples walking together was abolished in favor of walking single file with alternating rows of boys and girls. Also, rather than having a valedictorian and salutatorian of the class, 27 honor graduates were recognized.

"To strive, to seek, to find, and not to yield" was chosen as the Senior Class motto; an expression of their hopes and aspirations.

Senior class President Rick Collins and Senior class Vice President Mike Lewis concentrate on their graduating class of 277 and reminisce the past years at SHS.

Boy and Girl Staters Learn About

Each year the American Legion selects a number of boys to represent Springdale High School at Boys' State. This year fourteen were chosen to spend a week at Camp Robinson in Little Rock.

Meetings and elections are held to help acquaint each one with the fundamentals of our government. Through this program today's youth is better prepared for the future.

After spending hours trying to get everything into a limited number of suitcases, nine Springdale girls left for a week at Camp Robinson in Little Rock. During this week they were given a chance to learn the fundamentals of our system of government.

From the Springdale group Cathy Hinshaw was elected Lieutenant Governor and Gail Rollins was nominated for Justice of the Supreme Court.

As one of the evening vespers services comes to an end, the Girl Staters stand at attention while the flag is lowered.

Performance Requires Hours of Practice

"The Great Big Doorstep," senior class play, required that cast members practice and perfect a Cajun accent.

The play portrayed the life of a poor Louisiana family who tried to live up to the grandness of the huge doorsteps which they recovered from the river. In trying to better themselves they faced conflicts and the breaking of family ties.

Joan Vaughn and Gayle Gentry skillfully aid Chester Jones and Chuck Burt.

Backstage, opening night, Jim Irwin and Joanne Dean help with a last minute rehearsal as cast members nervously await their cues.

The family gives advice to Arthur after getting his jaw stuck trying to get a pool ball in his mouth. Director Mr. Paul Shaeffer gives final instructions.

Distinguished Leaders Pattern Examples

For the 6th consecutive year, a committee of faculty members at SHS have named outstanding seniors to the Hall of Fame. A thorough and exacting study was made of the seniors as a precedence to submitting the names for final selection. From these students, 17 rated high enough to claim a position in the Hall of Fame.

Qualifications for membership into the Hall of Fame is based on a number of things. Included in these are the student's rank in class, outstanding leadership abilities, character, citizenship, active participation in extra-curricular activities, service to the school and community during the high school years, and all-around development.

All of these qualifications are essential in finding the SHS seniors who have truly excelled in every high school endeavor.

Very few schools in Arkansas award recognition of this type to outstanding seniors. However, since it was established at SHS 6 years ago it has achieved its purpose of inspiring higher goals among the students and rewarding the achievements of individuals.

The 17 students named to the 1969 Hall of Fame were unaware

"Sayonara" Means Good-bye to Seniors

An odd happening took place at SHS on the night of April 26. Perhaps it was only a vision viewed by a dreamer deep in sleep.

At about 9:00 all these persons of elegancy were seen moving toward what we students know as the gym. But they didn't end up entering the regular court of our bulldog basketball games. They walked into the fascinating country of Japan. Only this Japan was a miniature size.

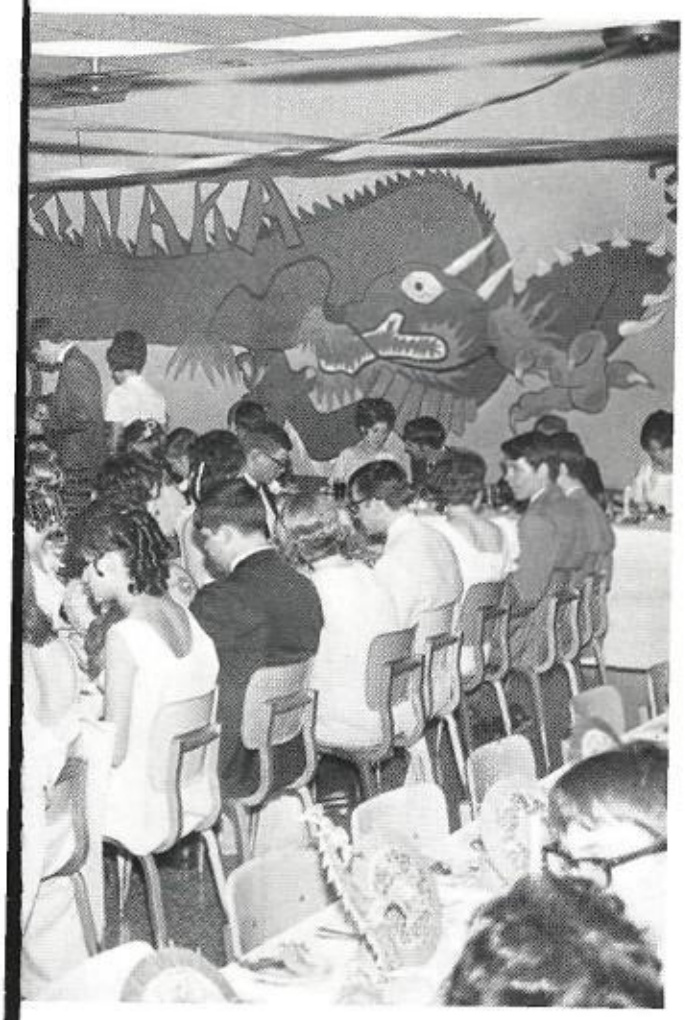
With all the sights to see and the excitement of the affair the night went fast. Soon the hour of 12 struck. The music, by the "Merging Traffic", slowly died away, and all the princes and princesses fled the empire. Only a small deserted country remained.

Senator Jim Caldwell, guest speaker, gives worthwhile advice to the seniors at the Junior-Senior banquet.

The Oriental dragon provided an atmosphere for the banquet which featured Oriental food.

Senior Connie Smith and Mark Wann cross the bridge of SHS to a Japanese dreamland.

The multi-colored pagoda offered a band stand for the "Merging Traffic", a group from Little Rock.



Senior Glenn Charlesworth, Brenda Barbee, Steve Edmondson, and Sydney Downs enjoy listening to the band while taking time for refreshments.

Soft lights and loud music added charm to the "Sayonara" theme and created a memorable event.

20 Seniors Enrolled in Honor Program

The honors program, which was organized in 1963, is designed to acquaint high school students with the rigors and atmosphere of a college campus.

Seniors who participate in the program must be of superior intellectual ability and have a past record of high academic achievement.

Of the 20 seniors engaged in this year's program, 18 took one course at the U of A while continuing their regular high school studies and two students, enrolled in two university courses. Full college credit is given for work done by those in the honors program.

Members of the honors program are free to take any course available to them and have the perogative to take only one or both semesters of university classes.

Marsha Vivona and Mike Setty leave for the university after completing classes at SHS.

Honors Program participants are, standing: Randy Overton, Mike Setty, Mike Lewis, Marsha Vivona, Pat Patton, Marty Anderson, Fred Fullerton, Martha Vaughn and Paul Springston; sitting, Glen Charlesworth, Gary Barnes, Mike Holiman, Steve Edmondson and Mike Casteel.

Honor Graduates Named At Senior Assembly

Steve Edmondson ranked second and Marsha Vivona ranked first in the '69 class.

Twenty-nine honor graduates, announced during Senior assembly, May 14, by Mrs. Jane Iveyand were presented with gold cords to be worn during graduation as a mark of distinction.

Honor graduates were the top 10 per cent of the class and had accumulated a 3.5 or better grade average on a four point scale. Several students had averages higher than a four point because of honors classes.

The honor graduates in order of their rank were: Marsha Vivona, Steve Edmondson, Sallye Schoeffler, Mark Stewart, Joene Reid, Carol Jeffrey, Margaret Manus, Cathy Hinshaw, Carla Ivey, Cherl Graham, Mike Lewis, Jeanne Wilkins, Mike Casteel, Vicky Smith, Lynn Moore, Mike Setty, Fred Fullerton, Jan Block, Marty Anderson, Paul Springston, Linda Burnett, Mike Holiman, Jimmy Thompson, Beverly Pettus, Pam Freeman, Jean Ishii, Gayle Gentry, Marvin Green, and Willa Perryman.

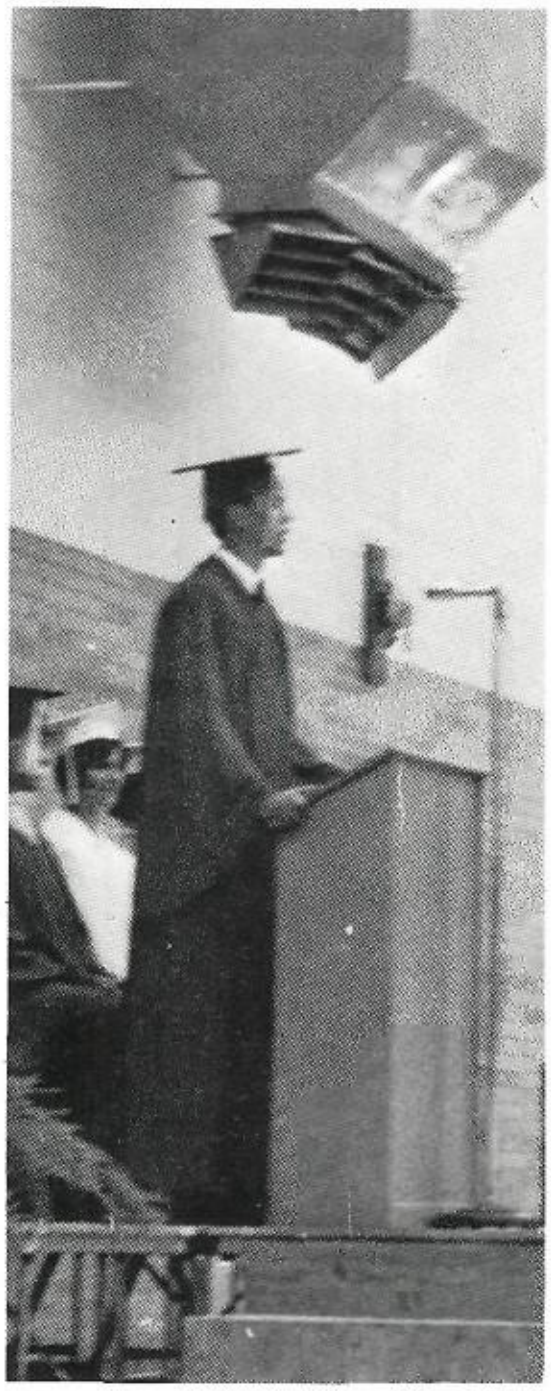
Bulldog Stadium Site of '69 Graduation

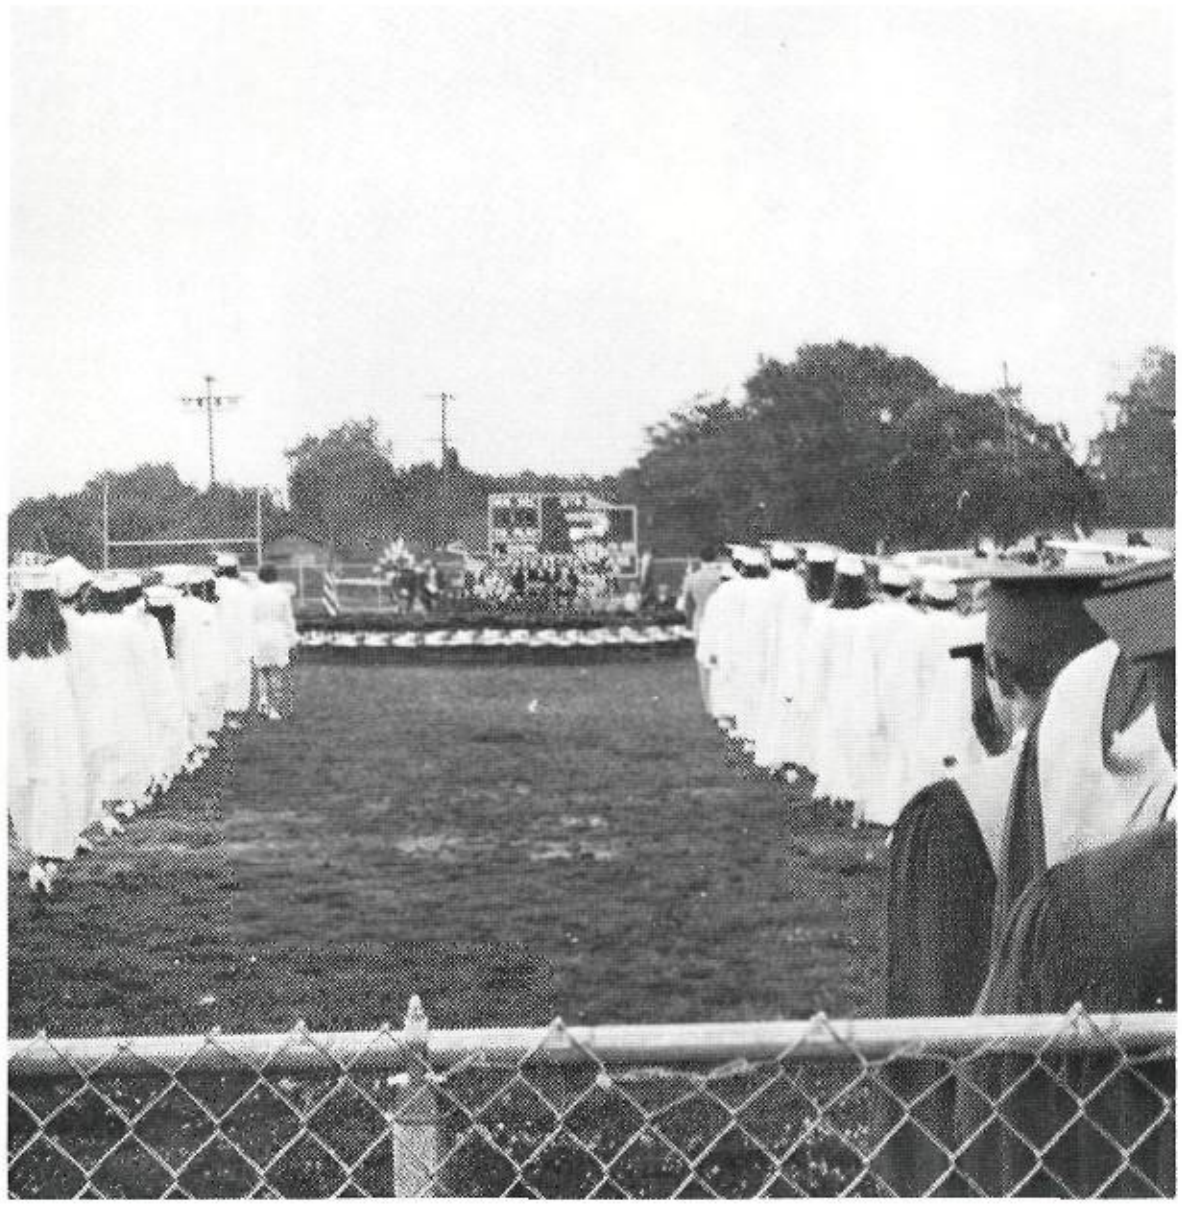


Rick Collins, senior class president recalls the co-operation and spirit of the class.

Graduation is the opening of the book of life to a new page. A new chapter is started and each individual of the Class of '69 will determine what will be recorded in this book.

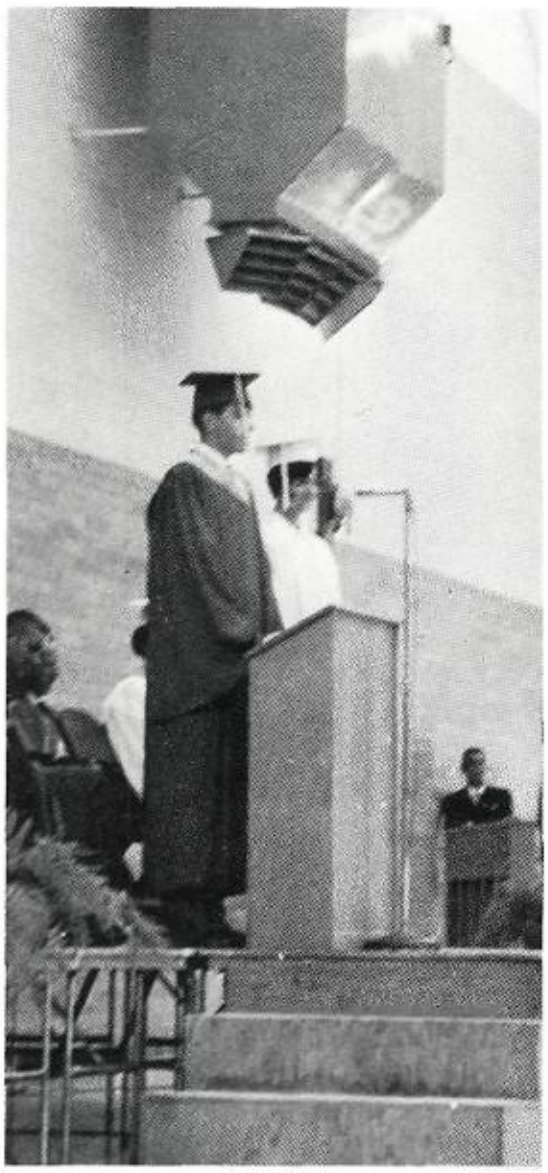
Two hundred seventy-seven seniors said farewell to Springdale High School on May 28, 1969. Commencement exercises were held at Bulldog Stadium. Members of the school board presented the long-awaited diplomas to the graduates. Taking part in this occasion were highest ranking seniors, Marsha Vivona and Steve Edmondson. Each gave brief talks. Rick Collins, class president, delivered a farewell address.

Graduation is not an ending, but a beginning of new challenge. Each individual has his own goals and the class will go separate directions.



Seniors realize the seriousness of the occasion, as they take the last steps together as the class of '69. Soon, each will stand alone in the world.

Concluding the evening commencement exercises, congratulatory remarks are given by friends, classmates, and families to the new graduates.



Mike Lewis and Sherri Barron review the past by reading the class history.

The '69 *Bulldog* was dedicated to Mr. Stan Finck, who received a standing ovation while he was escorted to the stage during Sr. Assembly.

SCHOLARSHIP WINNERS–front row (l to r) Jean Ishii, Pat Thomblison, Joene Reid, and Sally Schoeffler. In anticipation of their assembly the seniors wait to begin the processional.

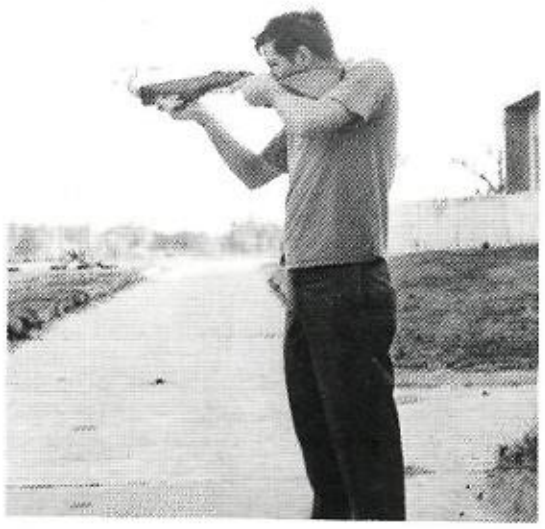
That Was the Year That...

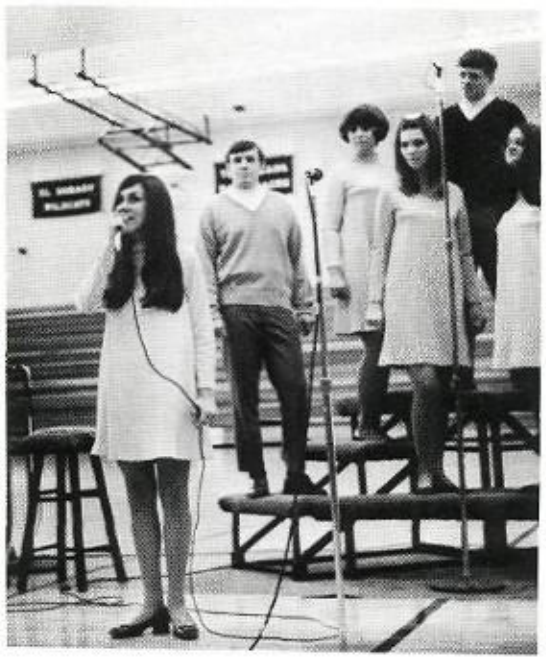
Cathy Hinshaw was elected lieutenant governor at Arkansas Girls' State.

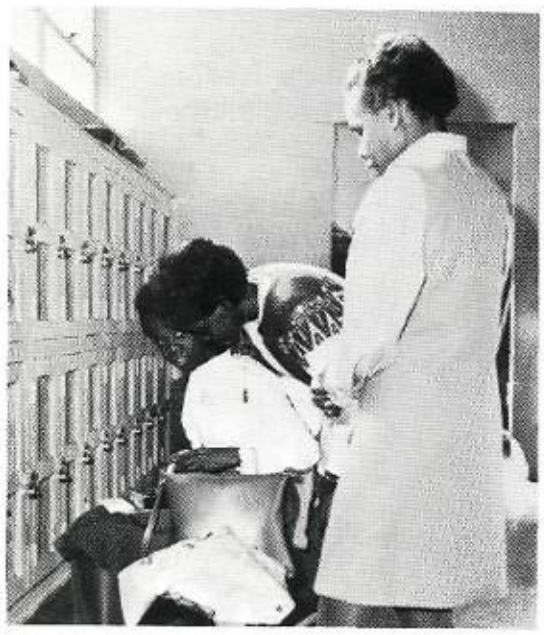
Janet Cawood reigned over the Homecoming festivities.



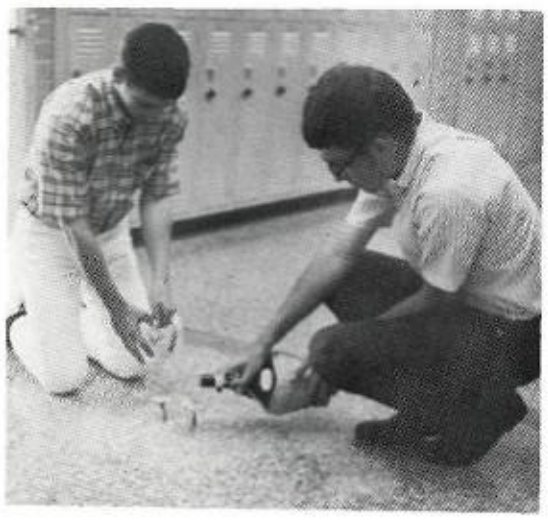
Mr. Harry Wilson, some other faculty members, and students made crossbows.

"The Sound Generation" made their second outstanding appearance.



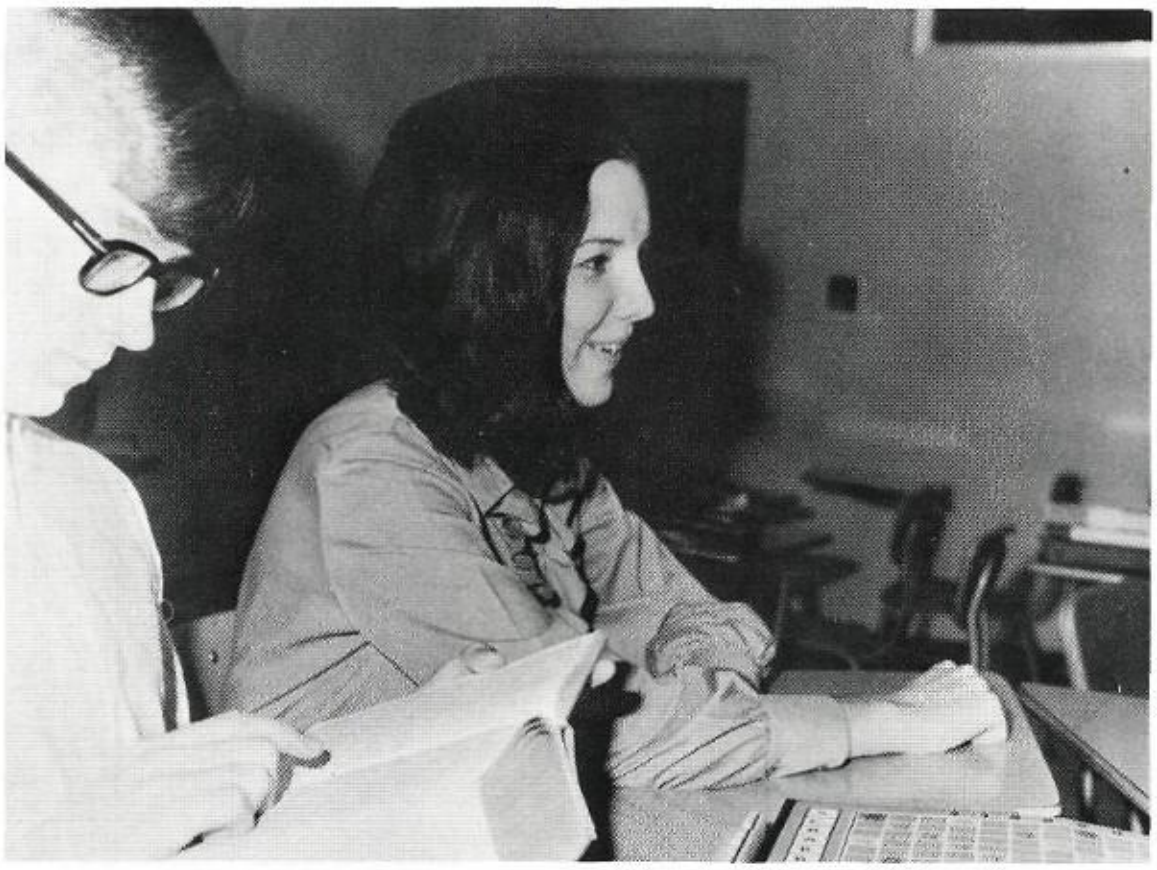


"Up With People" came and took two SHS students away with them.



Prof. Ross 'Ooglethorp' and Prof. Bob 'Zionswitch' found a way to make mushrooms grow out of marble.

Pat Johnston and Fred Fullerton display typical school dress for 1969. Girls wore dirndl skirts, frilly blouses, and "Mary Jane" shoes; boys wore monogrammed jackets, turtle neck sweaters, and "British Walkers."



Many good games of scrabble were played in French class.

Gymnastics was introduced at Springdale High.

Piddles ran various errands for the yearbook staffers.

Girls' shoes ranged from "Clunkies" to loafers to "Mary Janes."

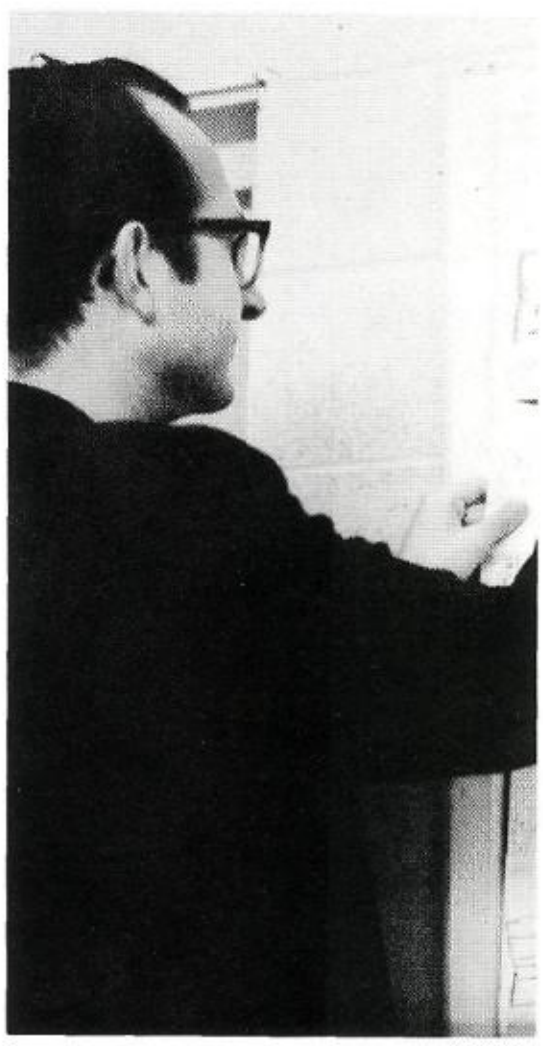
Boys' shoes went wild with jazzed up loafers and whities.

Bulldogs were AAA state champs.

The Class of '69 left claiming the class service award.

Mr. Stanley G. Finck

Varied Expressions of One of Our Leaders



In appreciation and recognition, the yearbook staff proudly dedicates the '69 BULLDOG to Mr. Stanley Finck.

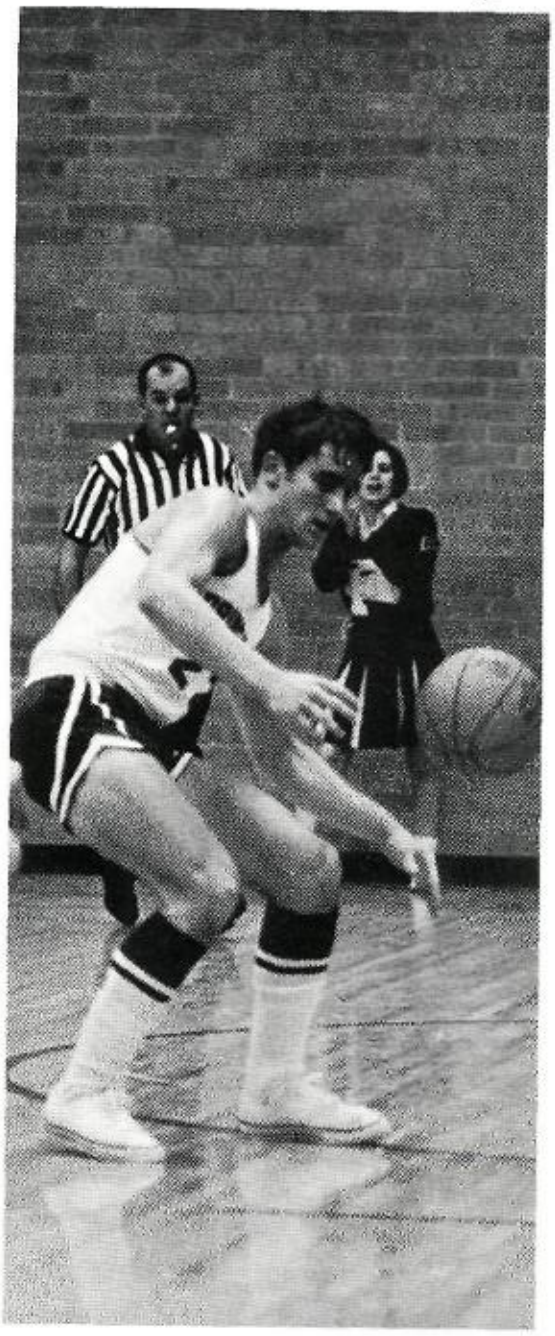
Unlike the majority of faculty members, Mr. Finck's duties as band director extend to weekends occupied with performances, and summers filled with band related activities.

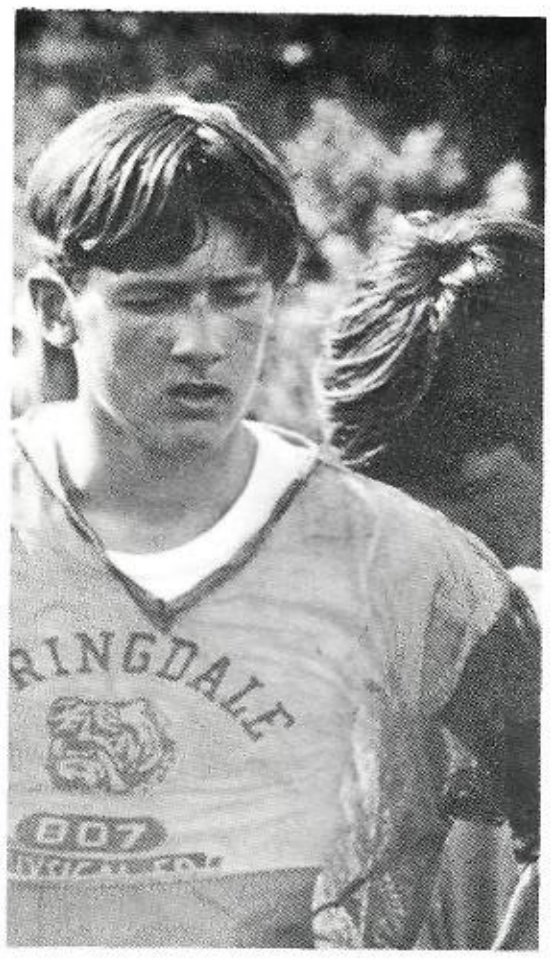
Mr. Finck's unique personality is such that he not only commands the respect of all his associates but is also a friend to all those under his direction.

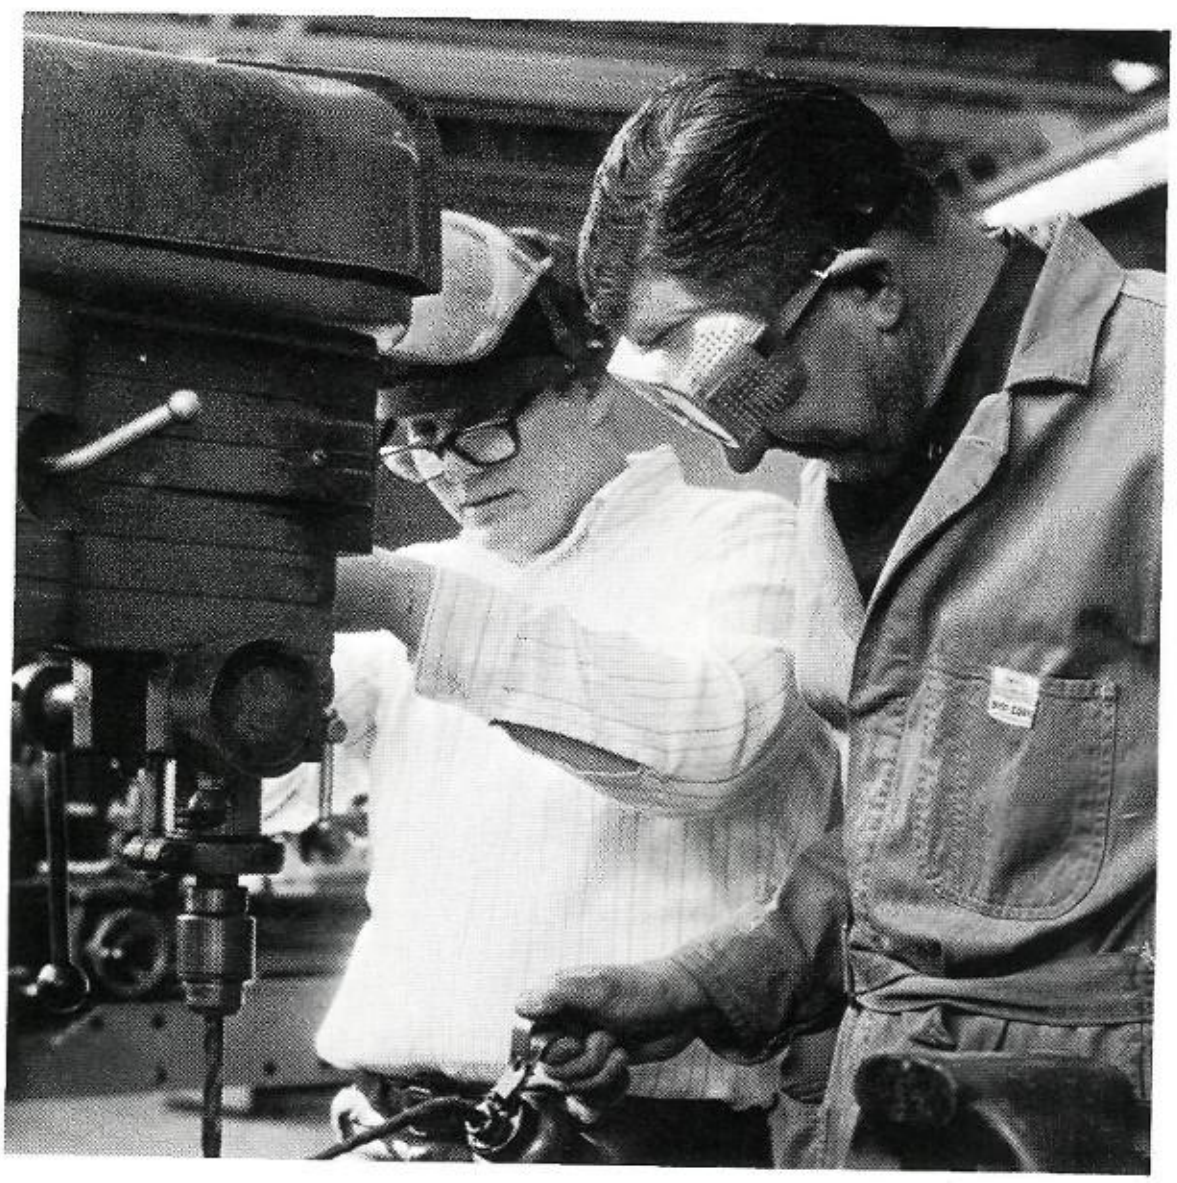
This year the Jaycees presented Mr. Finck with the Outstanding Young Educator of the Year Award. This is the highest honor that can be bestowed upon a Springdale teacher.

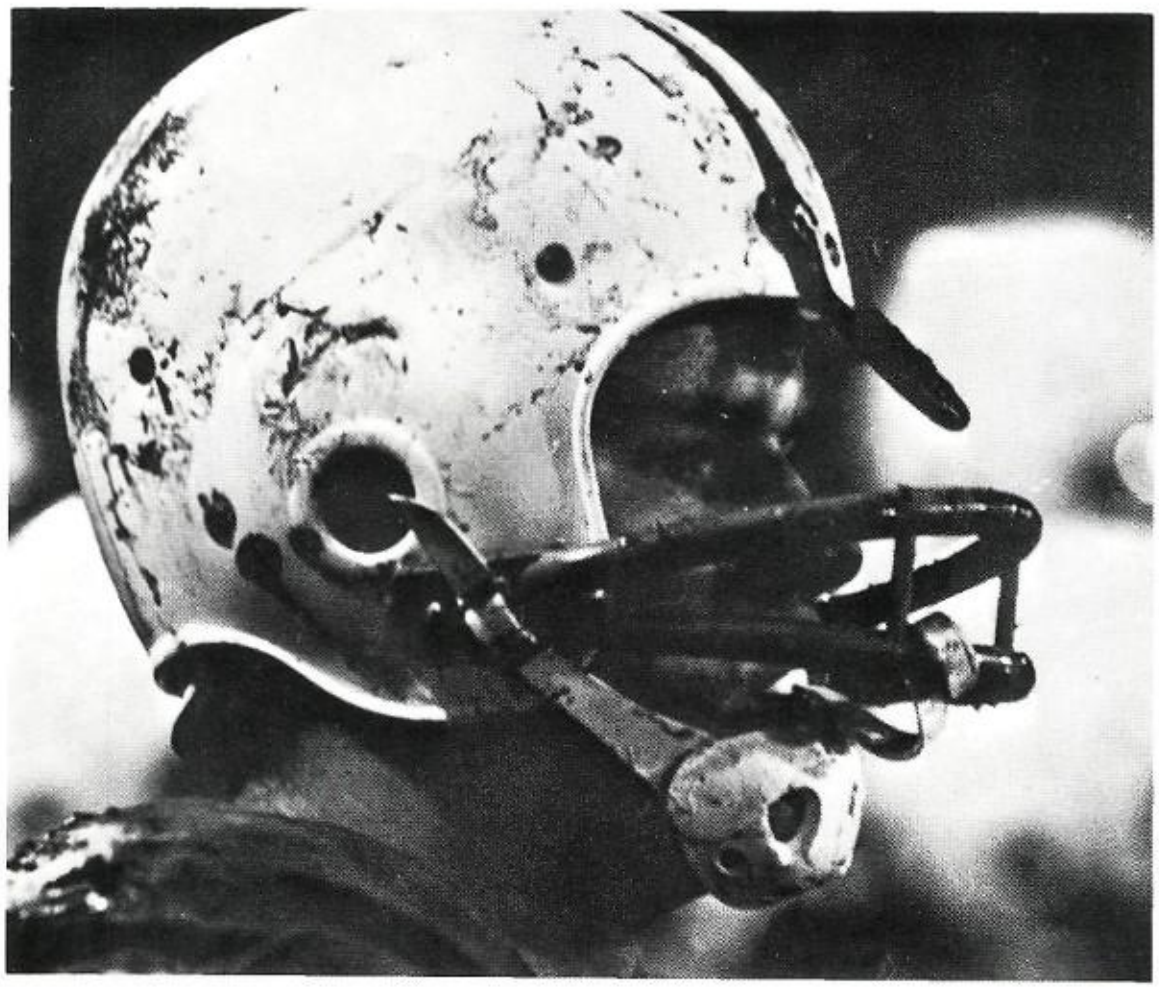
For his enthusiasm for his job and his dedication, the staff recognizes Mr. Stanley Finck as an outstanding teacher at SHS.

A Moment of Time---The Spirit of '69









These past months have seemed a moment of time, filled with a gamut of experiences. Many fashioned their dreams and goals—some achieved them. It's been an active year, at times impetuous and lonely, but always vibrating with inner spirit; knowing we were unique, and would never walk this path again.

From every field of endeavor we gathered to give, and as another year of school ended, many stopped to consider whether it was the image of Springdale High that had benefited or themselves who reaped the rewards: knowing that for at least one year they were totally young, alive, and exuberantly involved in . . . . . .
